Subject: General provisions; common law; general rights; public records and  
documents

Statement of purpose: This bill proposes to exempt state of Vermont  
marketing database applications from required public disclosure.

AN ACT RELATING TO STATE OF VERMONT MARKETING  
DATABASE APPLICATIONS

It is hereby enacted by the General Assembly of the State of Vermont:

*See P. 1a*  
~~Sec. 1. 1 V.S.A. § 317(c)(30) is added to read:~~

~~(30) all code and machine-readable structures of state funded and  
controlled database applications, which are known only to certain state  
departments engaging in marketing activities and which give the state an  
opportunity to obtain a marketing advantage over any other state, regional or  
local governmental or nonprofit quasi-governmental entity, or private sector  
entity, unless any such state department engaging in marketing activities  
determines that the license or other voluntary disclosure of such materials is in  
the state's best interests.~~

Sec. 1. 1 V.S.A. § 317(c) is amended to read:

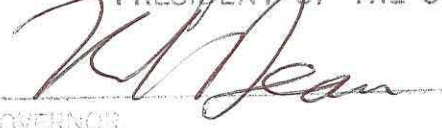

(c) The following public records are exempt from public inspection and copying:

\* \* \*

(30) all code and machine-readable structures of state-funded and controlled database applications, which are known only to certain state departments engaging in marketing activities and which give the state an opportunity to obtain a marketing advantage over any other state, regional or local governmental or nonprofit quasi-governmental entity, or private sector entity, unless any such state department engaging in marketing activities determines that the license or other voluntary disclosure of such materials is in the state's best interests.
