Making universally mailed ballots a permanent feature of Vermont elections would help ensure a more participatory and inclusive democracy.

“I liked voting by mail and receiving ballots by mail. It gave me time to think and not be exposed. I am also a Board of Civil Authority member and it made our job easier on Election Day. Some people do like to come in to vote so I would keep that as an option. Our Town Clerk and assistant clerk were well prepared to do counting ahead and on the Day! Hats off.”

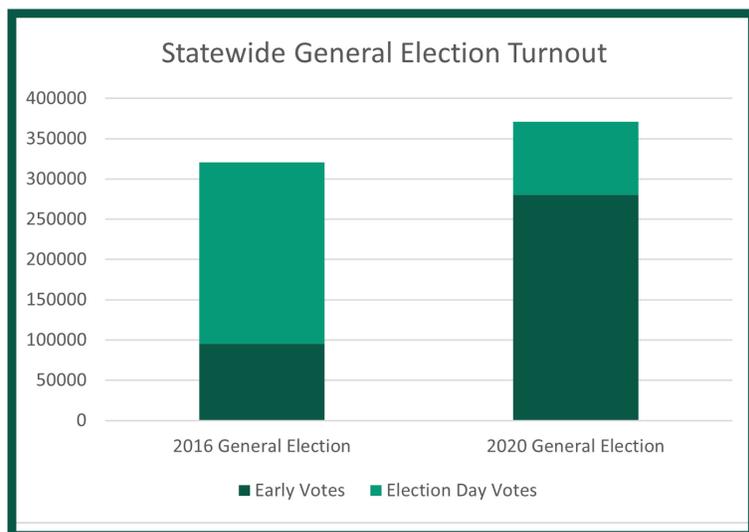

Martha H.  
Manchester

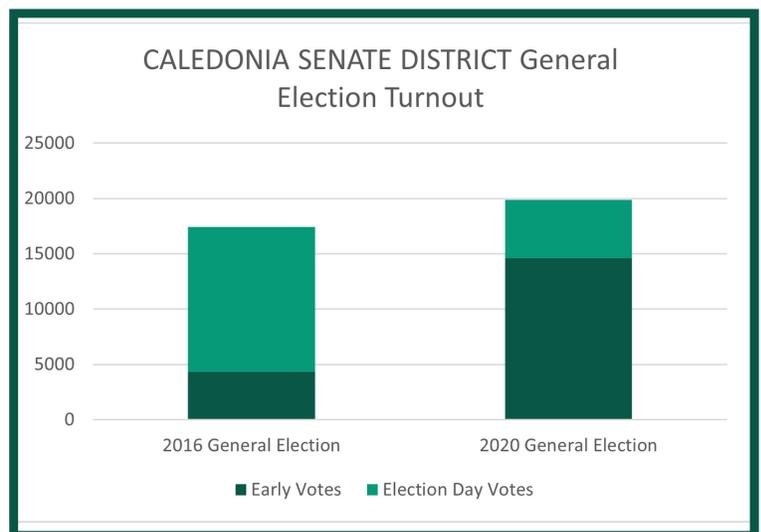

# What Universally Mailed Ballots Meant for CALEDONIA SENATE DISTRICT in 2020

Thanks in large part to the state's decision to mail a ballot to every active registered voter, a record-shattering 370,968 votes were cast in the 2020 VT general election. This smashed the previous record by close to 45,000 votes and represents a 73% turnout of registered voters.

Making universally mailed ballots a permanent feature of Vermont elections would help ensure a more participatory and inclusive democracy.

“Voting by mail was easy peasy. Filled the ballot. Signed the envelope. Drove to town office. Dropped in secure box. Checked on state website to make sure it was accepted. Miss the community aspect of voting in person, but this worked. Important thing was the system worked. Kudos to all involved in making it happen.”

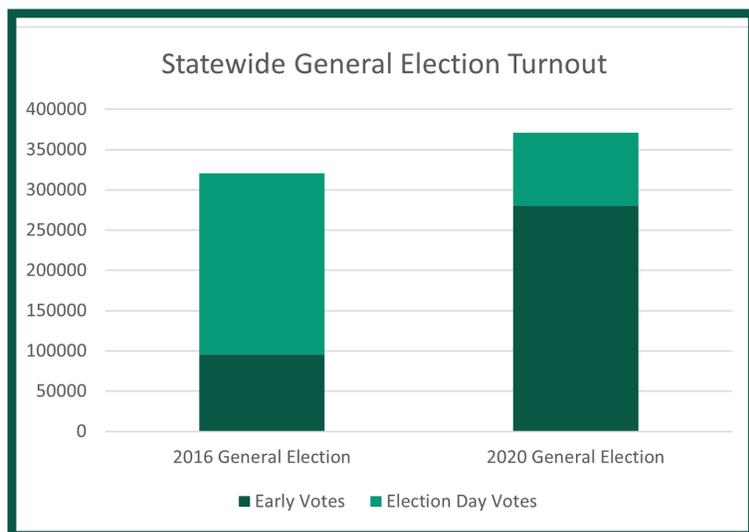

Charles E.  
Colchester

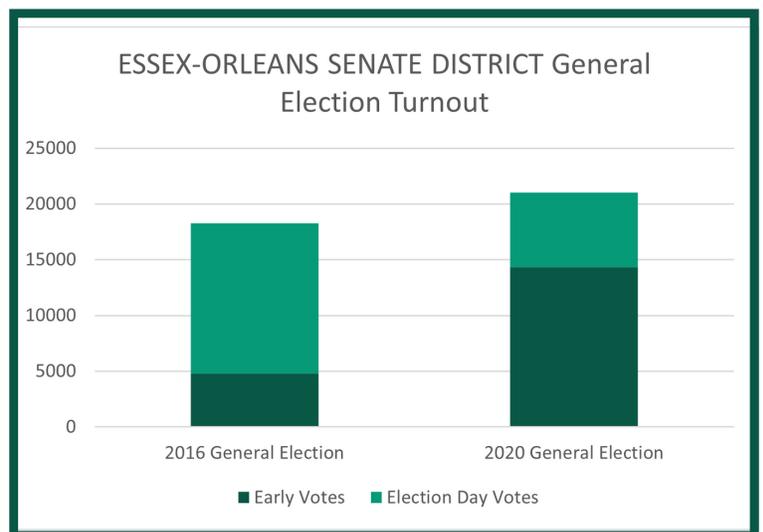

# What Universally Mailed Ballots Meant for ESSEX-ORLEANS SENATE DISTRICT in 2020

"My husband and I moved to a new home in August. Although we were still in the same town I was worried we would not get our mail in ballots. I called the town clerk here in Morristown and they assured me that the secretary of state had my new address. Sure enough the ballots came. We voted well in advance of the due date because of all the press about there being so many mail in ballots. We mailed them from our mailbox. I was very impressed with how well Vermont handled the voting."

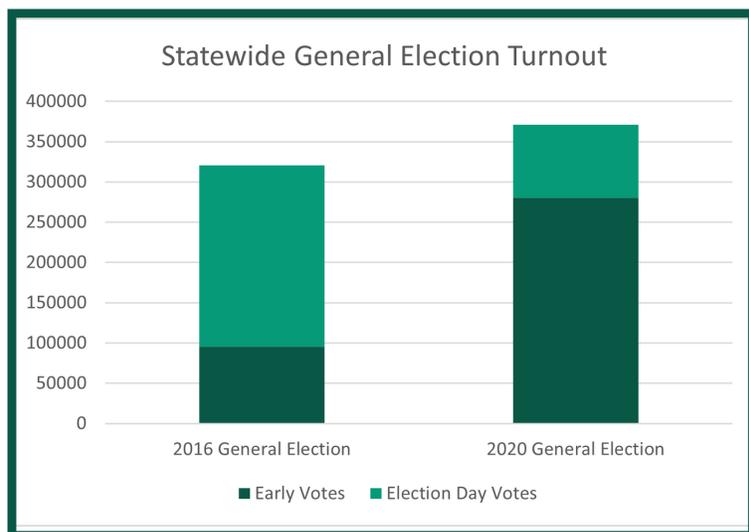

Leah B.  
Morristown

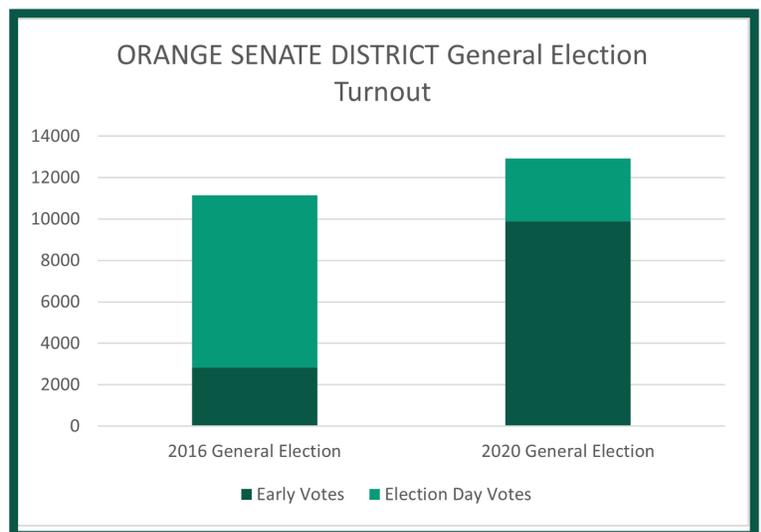

# What Universally Mailed Ballots Meant for ORANGE SENATE DISTRICT in 2020

Thanks in large part to the state's decision to mail a ballot to every active registered voter, a record-shattering 370,968 votes were cast in the 2020 VT general election. This smashed the previous record by close to 45,000 votes and represents a 73% turnout of registered voters.

Making universally mailed ballots a permanent feature of Vermont elections would help ensure a more participatory and inclusive democracy.

“It was easy. I got my ballot in the mail, I could take time to look it over and then research any candidates that I didn't know. I filled in the ballot, and fortunately had heard that you absolutely needed to put it in the security envelope, so I followed all the directions and dropped it at the dropbox in town on my way to the store. Much easier and more convenient than making sure I had time to vote on election day!”

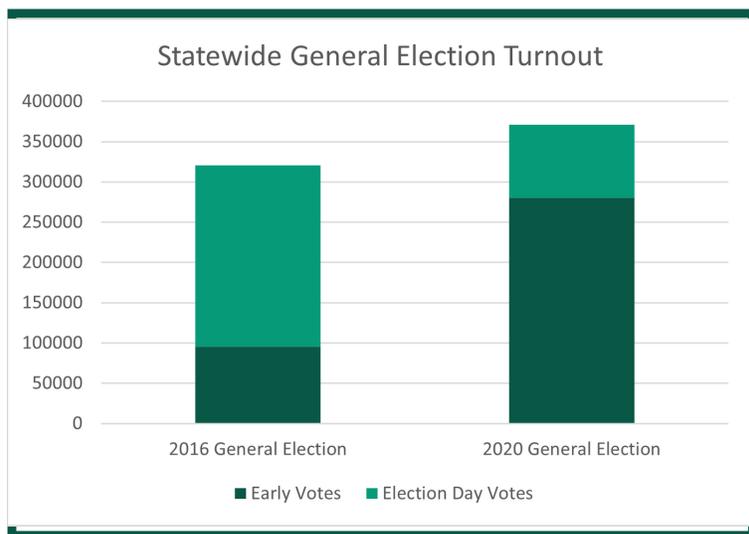

Jorika S.  
Putney

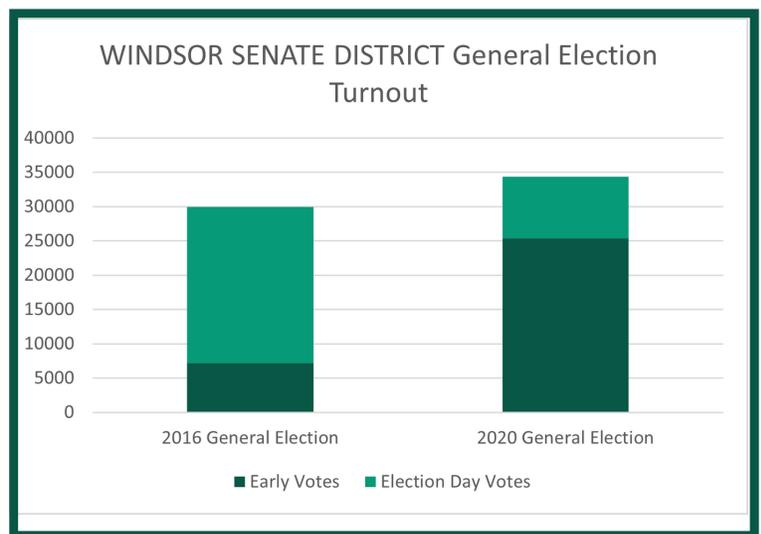

# What Universally Mailed Ballots Meant for WINDSOR SENATE DISTRICT in 2020

Thanks in large part to the state's decision to mail a ballot to every active registered voter, a record-shattering 370,968 votes were cast in the 2020 VT general election. This smashed the previous record by close to 45,000 votes and represents a 73% turnout of registered voters.
