Representative Margaret Cheney  
PO Box 521  
Norwich, VT 05055

Dear Margaret:

Congratulations on your appointment to the Vermont Public Service Board.

Serving the people of Vermont is clearly your calling; I've witnessed it first-hand and your dedication is irrefutable. Your four terms in the House of Representatives stand as proof of how well you've served not only the community of Norwich, but Vermont as a whole. Having worked with you as both a senator and as lieutenant governor, I agree that Vermonters have been wise to put their confidence in you. I know you will address the many difficult issues before you with objectivity and fairness. I'm confident, with your involvement, Vermont's energy and telecommunications future will be in good hands.

Congratulations again, and thank you for your continued service to Vermont.

Sincerely,

Phil Scott
