Subject: RE: Taxes draft audit report

I have discussed the draft report with the Governor. He believes the Auditor has raised a legitimate issue that should be given serious consideration in the Legislature. While all the practical and policy ramifications need to be discussed before legislation is enacted, he believes that discussion should take place.

I hope that helps you as you craft a response for Tom. Let me know if you have any questions.

Subject: Taxes draft audit report

Mary:

I've attached a copy of our draft report entitled *Medicaid: State Has Forgone an Opportunity to Recover Delinquent Taxes from Providers* for your review and comment. I've also attached a transmittal letter that includes information on when comments are due (1/26) and other information.

Thank you in advance for your attention to this matter.

If you or your team has any questions, do not hesitate to contact us.

Sincerely,

Tom
