Dear Cathy:

Thank you for taking the time to contact my office. I appreciate you sharing your valid concerns with regards the vaccination of Vermont's teachers from COVID-19.

Our teachers have always been essential workers, and they deserve our unwavering support. As more vaccines are granted to Vermont, I anticipate the prioritized distribution of vaccines to our teachers and other essential workers. In the meantime, I will pass on your concerns to Governor Scott and Legislative leaders.

I also urge you to visit the [Department of Health](#)'s website for the latest information on vaccine distribution.

Thank you again for sharing your concerns. I am deeply committed to elevating the voices of Vermonters, and I hope you will not hesitate to contact my office again.

I wish you good health as we work together to ensure Vermont recovers stronger from this pandemic.

Sincerely,
