Mr. Biebel,

I am happy to report that Gov. Shumlin has appointed you to the Vermont Fish and Wildlife Board!

I plan on informing the board at our meeting tonight, and I very much look forward to working with you. We will be in touch about materials and scheduling for your first meeting, which will be in March.

Thank you for taking on this important role!

I expect within the next two weeks. Depends a bit on when the gov gets a chance to review the applications.
