

By Jonathan Bush,
 Surveyor General for the State of Georgia,
 in the year 1836.
 The scale of this map is such that
 one inch represents one mile and
 a half.

MAP OF GEORGIA

This Map is a true copy of the one made for the Proprietors by John Jones in 1836. Copied by order of the Town of Georgia, March, 1896.
 J. N. B. BAKER
 Surveyor and Draftsman

GEORGIA
