Subject: FW: Total Pay and Expenses
Attachments: Total Pay & Expenses FY 2012.xls

Good afternoon everyone,

I have attached for your review a report that sets forth compensation and expenses paid to state employees in Fiscal Year 12. You will note on the top of the report a legend that sets out the types of pay in each category. We also have a report for Fiscal Year 11, which I have not attached, as it is a large file and I do not want to crash your emails. If you would like the FY11 Report, please let me know and I will be happy to send it on.

We will be providing this report and the FY11 report to several members of the press so you may receive questions about employee pay and expenses. If you are unable to answer those questions, please feel free to contact me for assistance. Have a good weekend, KGD
