**EXECUTIVE ORDER**

[Private Activity Bond Advisory Committee]

**WHEREAS,** section 146(e) of the Internal Revenue Code requires each state to devise an allocation formula or a process for allocating the state's private activity bond capacity among issuing authorities;

**WHEREAS,** pursuant to 32 V.S.A. section 992, the emergency board established by chapter 3 of Title 32 is the duly authorized agency of the state having the power to apportion the state's private activity bond ceiling to and among the constituted issuing authorities empowered to issue such bonds;

**WHEREAS,** the Governor seeks to develop an advisory process relating to such allocation that increases awareness of the availability of private activity bond capacity to prospective issuers, encourages new and creative uses of this financing mechanism, promotes job-creation in Vermont, and otherwise maximizes the economic benefits of private activity bonding;
