Dear Tom, Jeff and Karen:

Thank you very much for inviting me to work with you last Friday as part of my "Vermont Everyday Jobs" initiative. That day stood out as one of the best-organized jobs visits so far this year. You obviously put a lot of thought into how best to show me the many different aspects of your business, and I really appreciate that. (I should have known that people in the hospitality industry would know how to make me feel welcome!)

I learned a lot in working with you, Tara, and George, about all of the hard work that goes on "behind the scenes" to give our visitors a good experience. I also gained some valuable insight during our lunch about the support you need from the state and from statewide organizations to bring events and conventions here. I thank you for that valuable feedback, and I hope to continue those conversations with you and with officials here in Montpelier.

Again, thank you for a great day – and a great lunch! – and please keep in touch.

Best regards,

Phil Scott
