Dear Nekaiya:

The entire Vermont Senate wishes to offer our sincere thanks for your service to the Legislature as a State House Page over the last several weeks. You've experienced the fast-paced first month of the session, the debate on and passage of some major issues which will impact your future, and the Governor's final State of the State and Budget addresses, events which will forever be a part of our state's history—and you were there to see it. Your assistance has been incredibly helpful to us during these hectic first weeks and your service helps the Legislature run efficiently, which is no small task!

We hope the experience was a good one for you as well. We commend you on the initiative that you showed in applying for, and being accepted into, the State House Page Program. There's no better opportunity to observe the legislative process, and that understanding and experience will serve you well throughout your life. We hope to see you back in this building – remember that it's the People's House and we are just caretakers.

Again, we thank you and wish you the best of luck in your future. We have no doubt you'll go far!

Best regards,

Phil Scott  
Lieutenant Governor

John Campbell  
Senate President *Pro Tempore*
