Hi all,

I'll send you the Vermont seal to add to the agreement. I will be accompanying the governor along with his security detail, Ian Sawtelle. We all have accreditation.

Thanks!

Hi Laura, Leslie,

Sorry for the delay, I had difficulties to access my email in Le Bourget. Please find attached the joint declaration we'll sign with California and Washington State. It's non-binding, just to a declaration to enforce cooperation between our states.  
I need to work on the VIP access for Gov Shumlin : Can you tell me who will accompany him, and if you all have blue zone accreditation ?  
Best,  
vincent

Laura, would the governor want to sign a joint declaration with France  
..non legally binding --- the same one CA and Wa are signing  
Vincent copied can send it to you... That way all 3 governors at the event will be part of the signing ceremony?
