SHORT FORM

Introduced by Representative Yacovone of Morristown

Referred to Committee on

Date:

Subject: Health; health care reform; independent review

Statement of purpose of bill as introduced: This bill proposes to require the Director of Health Care Reform in the Agency of Human Services to contract with a qualified individual or entity for an independent review of Vermont's current health care reform efforts, including evaluating the effectiveness of the Green Mountain Care Board and of the All-Payer Accountable Care Organization Model and recommending improvements or alternatives to current efforts in support of a goal of universal, comprehensive, accessible, and affordable health care.

An act relating to an independent review of Vermont's current health care reform efforts

It is hereby enacted by the General Assembly of the State of Vermont:
