Date: 9/23/2015

Present: Mary Peterson Candace Morgan, Rebecca Sameroff, Sue Allen, Laura Gray, James Pepper, Emily Bryne, Heather Campbell

---

### **Refund Date of Release**

- Options:
  - push back until March when W-2's come in → this can be done administratively
  - ask for w-2's to come in earlier (currently Feb 28; shift to January)
  - some combination of the above
  - probably more opposition to delayed refund than accelerated W-2 submission

### **Change language around payments to towns to avoid grant administration requirement**

- I think Emily said she's on it

### **Telephone tax charge**

- Currently no tax on cable or broadband so tele companies are paying a tax that VoIPs / cell companies are not

### **Ag issues**

- Small technical changes to CU
- Looking into "Easy out" CU fix for MacDonald
- Auditing 3 towns for CU

### **Renter Rebate fix**

- Streamline administrative aspects of program

### **VEGI**

- Working well but too many reporting requirements

### **TIF**

- Tax will meeting with ACCD re: new TIF possibilities

### **AirBnB Tax Collection (Rep. McCormack)**

- Peterson does not want VT to lead the way on this
