Dear Aki:

I hope you are well. I'm sorry that my attempt to pdf this attachment to you wasn't successful. Here's a copy of the log of public records requests from 2010 recorded in the DII database. I gather from my interviews of various folks in state government that the tool is underutilized, so I suspect that many records requests have gone unlogged. We hope to rectify that going forward. In the meantime, this is the data we have. Please feel free to call if you have other questions about it.

Thanks,
