S.169

Senator Sears moves that the bill be amended in Sec. 1, 13 V.S.A. § 4021, by striking out subdivision (c)(1) in its entirety and inserting in lieu thereof a new subdivision (c)(1) to read as follows:

(c)(1)(A) The prohibition on possession of large capacity ammunition feeding devices established by subsection (a) of this section shall not apply to a large capacity ammunition feeding device lawfully possessed on or before the effective date of this section or to the transfer of a lawfully possessed large capacity ammunition feeding device from one immediate family member to another immediate family member by a lawfully executed will.

(B) As used in this subsection (c), “immediate family member” has the same meaning as in subsection 4019(a) of this title.
