Dear Governor Shumlin,

It is with mixed emotions that I am submitting my resignation as a Washington County Assistant Judge effective October 30th, 2016.

Over the years, I have enjoyed being an active member of my community in a variety of roles. I have served on the Berlin Selectboard, was appointed as a Deputy in the Washington County Sheriff's Department, and in November of 2014 was elected as an Assistant Judge.

In the event that an appointment is made prior to my effective date, I would be willing to resign at an earlier date if that is helpful. Another possibility, if there is an earlier appointment, would be for me to stay on through October and help train the new Assistant Judge.

It is my understanding that Senior Assistant Judge Conlon will be submitting a letter with a list of potential candidates in the near future.

Thank you for the privilege of serving the people of Washington County – it has been a great honor for me.

Otto Kinzel
