

Here is the language we just discussed – it would go into Sec. 3(b) (changes in bold/highlight):

(b) The Vermont Action Plan for Aging Well shall provide strategies and cultivate partnerships for implementation across sectors to promote aging with health, choice, and dignity in order to establish and maintain an age-friendly State for all Vermonters **and shall include a review of the Medicaid reimbursement rates paid to home- and community-based service providers.** The Action Plan shall also address the additional needs and concerns of older Vermonters and their families in the event of a public health crisis, natural disaster, or other widespread emergency situation in this State.
