

Count as of January 15, 2016

Windham County Electronic Monitoring – The program was funded during the 2014 legislative session, with a commencement date of July 01, 2014. The first two months of the program were dedicated to development policies and procedures. The first person was placed in the program in September 2014. Though the number of participants has been lower than anticipated, the initial outcomes support the continuation and expansion of the program.
