Good. Let's do something ASAP and give Steve a heads up five minutes before we send. Just spoke to Gov and he wants the statement to come from him. Tom, send me what you have and I'll add some gov quotes. Maribeth, with Justin and Gov out you'll have to be available for interviews on this. Let me know if you need anything from me. Happy to get on the phone and talk through messaging.

I think they are likely to come out with something today. With the other two VSEA units (corrections and supervisory) we have groundrules which say each side has to give the other 24 hrs. notice before going to the press - no such rules with nonmanagement. I could shoot Steve Howard a note and provide him a courtesy heads up before we go to the press and ask him to do the same - thoughts?

I see. We can hold off but we run the risk of vsea coming out and landing the first punch. What do you guys think they're likely to do?
