TOWN OF

Newport

VERMONT

REPORT FOR THE YEAR ENDING DECEMBER 31, 2022

- Dedication -

This year's town report is dedicated to two individuals that gave countless years and hours to the Town of Newport, which they both loved very much.

William "Bill" Burse

Bill served his town in many ways - Justice of the Peace, Member of the Fire Department, Constable -just to name a few. Anything that Bill could do for his town he was ready and willing to do anytime at all - day or night. The town will not ever be the same without seeing him out and about. Thank you Bill for your love and dedication to the Town of Newport. You will be missed for many years to come.

Charles "Chuck" Guadagni

Chuck was a member of the cemetery commission for quite a number of years. Chuck's passion was the cemeteries in his much loved Town of Newport, specifically the Lake Road Cemetery. Chuck had a great respect and consideration for cemeteries and the upkeep and care of these cemeteries. He spent many many hours at the cemetery - caring for the grounds, overseeing the sale of plots, making sure all stones were cared for and respected. Even in his passing Chuck made sure that his cemeteries would be taken care of for years to come. Thank you Chuck for your very generous donation to the Cemetery Fund made to us in your memory and Thank you for the generous donation of your time to the Town of Newport Cemeteries.

Select Board Report - 2022

Hello and another year has passed. It seems to me the years are going faster, but that is another story.

Our meetings are still held on the 1st Thursday of every month. The Select Board has voted to go back to in-person meetings. The Audio recordings along with Agendas and Minutes will be posted on the Town's website (townofnewport.org). If you haven't visited the website it is worth checking out.

As always if you need the Select Board to take action on an issue it needs to be placed on the agenda and warned. Please see the Town Clerk or Select Board to be placed on the agenda.

Town Meeting this year will be from the floor in person and voting on March 7th at 6pm at the School gymnasium.

Our Road Crew now consist of Mike Baraw, Road Commissioner; Equipment Operators, Jason Driver and Ty Camber. We feel that they are doing an excellent job maintaining our roads. The year 2022 was challenging and 2023 will be due to this inflationary period as you will see in the budget increases.

The Highway Budget went up \$72,367.58 and the General Fund Budget went up \$12,832.88. See Budget Comparisons in the Town Report.

Our Water and Sewer systems are working okay. The rate structure will stay the same for 2023.

You will also see under Recreation and Parks an increase, this is for a Boat Washing station and attendant at Strawberry Acres Access.

www.allearthrenewables.com is monitoring the solar system. Our site number is 1639. Also the warranty on the system is expiring this July so we have contracted with All Earth for a repair and maintenance contract. (See other in town expenses)

In closing the Select Board is thankful to everyone for their help in running the town, Denise Daigle, Avis Rollins, and the Listers, in the Town Clerks office; Mike, Jason, and Ty, at the Town Garage; and Charlie Buck at the Recycling Center.

We all owe YOU the voters for making Newport Town what it is. THANK YOU!

Respectfully submitted,
 Jerry Waterman
 Richard Gosselin
 Steve Barrup

Listers' Report - 2022

The transfers and permits for 2022 were a little less than in 2021, but still higher than “normal pre-COVID” times. In 2022 there were 122 transfers and 33 permits.

If you plan on changing the footprint of your property, or adding an addition or new building, it is important to remember to get a permit from the town clerk. New constructions cost \$57.00 and \$27.00 for any other changes.

We continue to attend as many workshops as possible to try our best to keep up with the constant changes of procedures that the state inflicts on us, especially current use.

Just a reminder, we do go on the road to check properties for any changes. We welcome anyone with any questions at all to give us a call to set up a time to meet with us. You can call our number 802-334-2830 or the town clerk's number 802-334-6442 anytime with questions or concerns. We encourage anyone with any questions with regard to your property's assessment to give us a call to go over this with us.

We thank you for the privilege of continuing to serve you.

Sincerely,
OSCAR ROBERTS

Cemetery Commission Report - 2022

First of all we would like to start by acknowledging two members that have passed away in 2022. William “Bill” Bursey and Charles Guadagni. These two gave countless hours to making sure that our cemeteries were always kept in the best shape possible. They will be very much missed by the commission. We also would like to thank Chuck – in his passing he gave a donation to his much loved cemeteries to be sure that his legacy would live on for years to come. We veteran commission members would like to welcome two new members, Vince and Trish Buttice to the commission!!

The commission would like to again acknowledge the amount of effort and work that is involved in keeping these cemeteries looking good – Jay Knight Property Management for doing the all of the cemeteries in town and keeping them in fine shape – Heritage Memorials who does our cleaning and repairing of the monuments plus gives us good advice on how to manage problems coming up in the future – Dan Pepin Excavating for helping on the Lake Road cemetery drainage problems.

We would like to also say a very important THANK YOU to the taxpayers for giving us the money to be able to keep the cemeteries in good shape.

WRIGHT CEMETERY on Collins Mill Road

As of this time most of the work we needed to get done is completed except for the upkeep of lawns, etc. that is ongoing. This year we will be out to fix any stones that have moved due to frost.

ROUTE 100 CEMETERY on Route 100

Ongoing repair of the driveway which seems to be getting better – but it has its days. Bush hogging did not happen last year due to the back log of work everyone seemed to have. We are in hopes that this will happen this year. There are still a lot of monuments left to be cleaned and straightened due to frost problems. This is a fairly large cemetery which means there is always problems which show up every spring that have to be tended to. We are also looking to remove the vault and replace this with some decorative stones. The vault is deteriorating rapidly and is in very bad need of attention. Also lawn maintenance is also on going.

LAKE ROAD CEMETERY (HOLBROOK BAY) on Lake Road

The work on a water drainage problem on the lower part of the new portion of the cemetery has been completed and is working perfectly. We are hoping to get a fair number of stones at this cemetery cleaned and repaired this year.

Once again we would like to thank you for your continued support. Stay Safe and Healthy.

Respectfully,

Cemetery Commission – Town of Newport

Report of the School Principal

Dear Newport Center Residents;

Thank you for the opportunity to serve you, the families and students of Newport Center for another year. As we continue our journey to a “new normal” after the pandemic; I am excited to enhance our focus on student outcomes in academics and social / emotional development. We have a committed staff at Newport Town School (NTS) that care deeply about our shared community and students. We have been fortunate to remain fully staffed during these times of employee shortage in our Supervisory Union (SU) and throughout the state. This dedication allows us to continue to develop our systems and structures that create a positive learning environment for all learners. As the COVID variants waxed and waned throughout the 21-22 academic year, our school remained open for in person learning 5 days per week. Staff and students pulled together to maintain consistency and growth during another year of sickness and above average adult and student absences.

With a renewed focus on well-being and access to learning for all students our staff have implemented additional new curricula including: guided reading, math, phonemic awareness and spelling. Additionally, we continue to utilize our Social Emotional Learning team to increase student readiness to learn and develop friendships. Transferable skills including communication, problem - solving and critical thinking are key to success in our community and throughout life as active citizens. Our ability to intertwine the development of these skills and sense of belonging at NTS will support our students throughout their lives.

Moving forward with our Multi-tiered systems of support (Mtss) model, we are working to focus our teaching and learning on incremental growth. As we keep the Common Core Standards in mind; we work to support students to develop the individual skills and proficiencies required to meet those standards at each grade level. Teachers are enhancing their ability to toggle between the larger standards and all discrete skills required to attain each standard. The focus of not only what we are teaching but how students are learning will result in increased access to learning for all.

This approach to learning and growth could not occur without the support and dedication of our school board members. Each of the five members have committed countless hours over the years to ensure that Newport Town children have a high quality elementary educational experience. As two of our current board members step down; I appreciate their commitment over their tenure. Both Lauren Dillon and Chris Hammond have served on the school board for over a decade. During that time, they have remained dedicated to the school, while balancing that with a family and career. Their willingness and dedication to being stewards of the school and advocates for the children of Newport Center is commendable. Thank you both for your service.

In closing, as our community continues to grow and our student population increases; I remain focused on our collective commitment to student growth and community connectedness. I am honored to represent the NTS staff in communicating our appreciation for your support and our commitment to your children.

Sincerely;
Shelly Lanou, Principal

Report of the School Board

Dear Newport Town Community,

This has been a year of much change in school leadership. After many years of service as board chair Sarah Hardin decided not to run for reelection and her efforts and dedication to our town has been made clear to me as I've worked to step into her shoes as the new school board chair. I appreciate this opportunity to serve you and our children.

The school year has been busy with multiple capital improvement projects, a new school mission and vision statement, and growing student enrollment. We have also seen change in leadership at the Supervisory Union level as Superintendent, John Castle, departed to become the director of Vermont Rural Education Cooperative (VREC). In July, Elaine Collins stepped into her new role as Superintendent. A huge supporter of our local schools and communities, Elaine, has spent much of her career dedicated to the North Country Supervisory Union schools and has lived in the Kingdom for her whole life.

This Town Meeting Day our school will see more change as Lauren Dillon and Chris Hammond have chosen not to seek re-election as school directors. They have served our town and school for many years as school board members, overseeing much positive change and capital improvements. Lauren has served as Vice Chair and NCSU Board member. Chris has been active on the facilities committee, assuring our school is well maintained and prepared for the future. We thank them deeply for their years of service to our school and community.

This year the school came together to develop a new Mission and Vision:

Mission—Newport Town School is a community of learners that fosters each person to be an active member of our community and demonstrate independence, respect, empathy, perseverance and problem solving skills.

Vision—Newport Town School strives to support students to develop into life-long learners that welcome and support diversity, advocate for their needs, take pride in their accomplishments and envision a positive future for our community.

Last year, the taxpayers granted permission to make substantial repairs and improvements to the school building and grounds. To those efforts we have accomplished much. The facilities committee has been meeting regularly to oversee these projects and we owe big thanks to members, Chris Hammand and staff member Isaiah Casey. These projects included: electrical work to the old section of the building, plumbing in the bathrooms, upgrade to four classrooms with sinks (all classrooms are now equipped with sinks), new flooring in several classrooms, excavation of the old fuel oil tank, installation of new propane tank and switch over to a new boiler system. We are already seeing savings from the boiler improvements.

In continuation of our 5-year facilities upgrade plan, this spring/summer we will be expanding the parking lot and revamping the playground. The parking

lot project is expected to expand the number of parking spots and hopefully improve traffic flow aiming to decrease impact to the roadway during high traffic times. The playground will be funded through COVID related federal grant dollars. Our current playground is not appropriate for our preschoolers as it is rated for 5-12 year olds. The new playground will be accessible to all ages and abilities and will include a diversity of experiences.

With regard to the school budget, this year the board is proposing a 1 cent increase to the tax rate. We wish to remind voters that last year the school tax rate was level funded and to explain some factors that have impacted the budget increase this year. Some positive factors are that we have seen an increase in enrollment and our equalized pupil count (9.45%) along with an increase to the dollar equivalent yield (16.26%). A negative impact is that Newport Town has seen a substantial decrease to the Common Level of Appraisal for homes (-11.39%). Other budget drivers are that staff have seen an increase in compensation and more staff are accessing our health insurance which has seen rate increases this year. Our student enrollment is up; as of October 1, 2022, our school served 141 students in Pre-K – 8th grade. We have 12 more students enrolled than last year. We are trending up in our enrollment from a low of 90 in 2015. School staff in all positions have stepped up to fulfill our expanding school needs and assure a quality education for all students.

This Town Meeting Day the school board is interested in expanding attendance by offering in-building childcare. If this is something you wish to participate in, please contact the school for more details and to reserve a spot for your child/children.

The board would like to thank all the staff at Newport Town School for their dedication to educating our students and growing independent, respectful, empathetic, perseverant, problem solvers. We would like to thank our community for its continued support of our school.

Respectfully submitted,
 Jill Raymond,
 Board Chair

If the district belongs to a union school district, this is only a PARTIAL homestead tax rate. The tax rate shown represents the estimated portion of the final homestead tax rate due to spending for students who do not belong to a union school district. The same holds true for the income cap percentage.									
35.	Anticipated income cap percent (to be prorated by line 30) [(21,020.94 + \$17,600) x 2.00%]	2.77%	2.78%	2.65%	2.39%

37.	#N/A								
38.	Percent of equalized pupils at North Country Sr UHSD #22	38.03%	39.10%	38.41%	34.42%				

- Following current statute, the Tax Commissioner recommended a property yield of \$15,479 for every \$100 of homestead tax per \$100 of equalized property value, an income yield of \$17,600 for a base income percent of 2.0%, and a non-residential tax rate of \$1.36. These figures use the estimated \$64,000,000 surplus from the Education Fund. New and updated data will likely change the proposed property and income yields and perhaps the non-residential rate.
- Final figures will be set by the Legislature during the legislative session and approved by the Governor.
- The base income percentage cap is 2.0%.

NCSU Superintendent of Schools Annual Letter

As many of you may already be aware, after serving as NCSU's superintendent for the last eight years, John Castle stepped down from his post on June 30, 2022 to pursue another opportunity, and I took over beginning July 1, 2022. In my 33 years of working in education in a variety of roles, I've had the privilege to work for a lot of superintendents. John's sense of integrity, advocacy for our students, passion for teaching and learning, and strong moral compass made him a very effective leader. Our supervisory union is a better place because of John's commitment to and vision for our schools, and I'm very fortunate for the awareness and experience needed in order to offer consistency and continuity of these same commitments and vision through this transition.

We continue to frame our work with students by thinking about NCSU's Design for Learning and our Work and Learning Plan. Both documents can be found on NCSU's website at <https://sites.google.com/ncsuvt.org/ncsu-learning-design/home>. Since it's been about nine years since we've looked closely at the Design for Learning, we will soon engage NCSU stakeholders to provide input into this framework for a potential revision.

As you know, education has undergone many changes over the last few years, creating some big challenges, including staffing and funding changes.

Like many schools and businesses in our region and state, NCSU has experienced some challenges with filling positions and retaining staff. Currently, we have approximately 52 positions open across our supervisory union, including approximately 27 teaching positions and 29 support staff positions. When we are short-staffed, everyone who is working in the system is doing more than is usual, which creates stress in the system.

You may have heard about some changes in the way that special education is funded. The legislature has mandated switching

from a reimbursement model to block grant funding. This has had an extremely negative effect on our SU-wide budgets. For this year and moving forward, the legislature is phasing in block grant funding. Instead of receiving 56% reimbursement of whatever the special education cost is, we receive a block grant per student. Districts and supervisory unions with lower special education students will see an increase in revenue, but at NCSU, we have lost approximately \$750,000 in revenue from FY22 to FY23.

Although our work with students in a post-pandemic world has had some challenges, I want to express how proud and grateful I am of our NCSU students, families, and staff. Illnesses continue to afflict both the students and staff. Because of increased absences, the need to differentiate and provide a multi-tiered system of support for students has increased. With students missing instruction, concepts or skills, and having different gaps in instruction, the need to deliver effective universal instruction while planning and implementing substantially different instructional pathways for the varied needs of students continues to be a large focus of our professional development and priority within schools. Additionally, students continue to require an increase of social-emotional support. For many students, a prolonged heightened sense of anxiety and uncertainty has compounded this need. Despite these challenges, NCSU's community of students, families, and staff have rallied to keep our educational systems progressing. We have not only done what's required, but we are also continuing to strive for excellence and to exemplify our district's 4C's of Character, Competence, Creativity and Community. Thank you for your support and for the opportunity to serve our community in my new role.

NORTH COUNTRY SUPERVISORY UNION FY2024 BUDGET

Newport Ambulance Service, Inc.

Newport Town 2022 Report

Our call volume increased to 3107 calls in 2022 from a total of 3052 in 2021. In 2022 Newport Ambulance responded to 171 emergency calls in the Town of Newport and transported 26 Town residents from North Country Hospital to receive care in other facilities. We have also responded to 61 calls for mutual aid.

Our Crews continue to work close with the Vermont Dept. of Health and Vermont Emergency Medical Services to assist with the statewide COVID 19 testing and Vaccine sites throughout the state. In 2022 Newport Ambulance hosted a drive through Covid testing site. We also have delivered thousands of Covid and flu vaccines to patients throughout Orleans and Essex County. We currently are serving as a drive through COVID-19 and Flu vaccine site at our 830 Union Street location 2 days a week.

Newport Ambulance has been fortunate to continue and receive funding from the Coronavirus Emergency Outbreak Testing & Vaccination Administration Grant. This funding will be used to purchase our new 2022 chevy ambulance, with a new Stryker power load stretcher, and pay for the station's driveway to be repaved without putting those costs onto the taxpayers.

Currently the ambulance service has 3 crews providing 24/7 service. This service presently has 6 ambulances, and a Paramedic first response car that are stocked and available to respond, at the Advanced Life Support level, at any time.

Newport Ambulance substation in Morgan and is running a crew there 24/7. This will help serve parts of Derby, Holland, Morgan, Charleston, and Brighton.

Newport Ambulance facilities are located at 830 Union St, Newport and 8437 RTE 111, Morgan.

Newport Ambulance Service thanks you for your support and looks forward to serving you and your town.

Respectfully
 Jeffrey J. Johansen,
 Executive Director

Volunteer Fire Department Report

To the Residents of Newport Town,

NCVFD would like to Thank all the residents for the continued support through the year. This year we have transitioned our dispatching services from the Vermont State police to Newport Police Department. This transition has gone very smooth and the dispatching is more reliable and we have better communication with the dispatchers during emergencies. With the change we go from a free service from the State Police to a service that we need to pay for. With this being said we had many issues with not getting called to potentially serious incidents and being told by the VSP supervisor that the dispatcher forgot. The State was also looking at charging emergency services and they have had and still having big issues with staffing of dispatchers. NCVFD felt with going to Newport PD we will have dispatchers that live and know the area which will help us get to emergencies quicker.

This year we did not expect a raise in the appropriations of \$37,000. We were asked by the selectboard to add \$3611 for dispatching. So for our appropriations we will be asking for \$40,611. Also we will be asking for the \$30,000 for the equipment fund for the purpose of replacing trucks and outdated equipment and personal protective equipment. This past year we have bought 6 sets of protective pants and boots. We also contracted with a Grant writer to hopefully receive grants.

As always questions about the department or visits to the station are welcomed. NCVFD strives to give Newport Town the best Fire Department we can and what the Town deserves.

Dear Brownington Neighbors:

The mission of the Orleans County Historical Society, Inc. (doing business as the Old Stone House Museum & Historic Village) is to tell the unique stories of Orleans County through preservation, education and inspiration. We are proud to have loyally served our shared community for over 100 years.

Preservation: Since 1915, the Old Stone House Museum & Historic Village has worked to preserve the rich history of your county and region. The Historic Village cares for eight historically-significant buildings, a remarkable collection of artifacts that illustrate aspects of the region’s past. We celebrate the life and legacy of African American Alexander Lucius Twilight each year and especially each September on the day designated ‘Alexander Twilight Day’ by the Vermont legislature.

Education: Over thirty educational programs are offered to local youth and families throughout the year. Programs highlight the heritage arts, crafts, themes and skills common in 19th century Orleans County and which remain relevant today. We are thrilled to announce that our educational programs will expand into local schools in 2023! We also provide guided tours to over one thousand guests of the museum each season. People come away from tours with a deep understanding of important local history and the way Orleans County helped shape the early years of our state and country.

Inspiration: Our organization offers more than ten seasonal events on the museum’s property. Each season’s events inspire the community to engage with local history through a whole host of fun and accessible opportunities. Many of the events offered are totally FREE to the public! From the 100-year-old Old Stone House Day to the popular and fun Twilight Stars Party; from exhibit openings to the Historic Village Halloween Walk, the public comes out in droves to enjoy the historic spaces, stories and fun celebrated each year.

We make all our spaces, events and programs as accessible to the whole community as possible. Brownington residents are automatically members. This allows you to receive free or discounted tours, programs, events, space rentals and purchases from our gift shop as well as a front seat to local history happenings right in your town! Without your support, we couldn’t do this important work. **A Brownington without the Old Stone House Museum & Historic Village would be a town without its own history** and without all the opportunities the organization provides to share, celebrate, preserve and cherish the stories and spaces that make Brownington home. Thank you for helping us keep local history alive.

Sincerely,
Molly Veysey, Executive Director

Orleans County Sheriff's Department

2022 REPORT – TOWN OF NEWPORT

The Orleans County Sheriff's Department has been honored to provide the **Town of Newport Center** with patrol services this past year. The enclosed chart shows the total incidents, total arrests and traffic violations for your town from January 1st, 2022 through December 30th, 2022.

The Orleans County Sheriff's Department has had the opportunity to work this past year with the United States Marshal's, ATF (Alcohol, Tobacco & Firearms), DEA (Department of Drug Enforcement Agency), United States Border Protection/Customs, Homeland Security Investigations, Vermont Drug Task Force, Newport Police Department and Vermont State Police in an effort to make our community a safer place to live and a pleasurable place to come and visit. We will continue to work with our Federal and Local partners to continue with the effort to fight back against violence occurring within our community.

The Orleans County Sheriff's Department continues to be supplemented by the Newport Police Department for dispatching services for nights and weekends. We all continue to be very pleased with the level of service that has been afforded to this department and the towns we serve.

The Orleans County Sheriff's Department participates in the Governor Highway Safety Program and look forward to providing the added coverage to our community in 2023.

The Orleans County Sheriff's Department currently has a Deputy assigned to Lake Region Union High School as their School Resource Officer. Deputy Morrill has done extremely well in the position and has built wonderful relationships with students, staff and families.

We continue to work in partnership with the Newport Restorative Justice Board to maintain a "Drug Take-back" box in our lobby at the Sheriff's Department. The Department has collected approximately 220 lbs of prescriptions in 2022. We also participate with Wal-Mart and Kinney Drugs in Derby on National Drug Take Back Day. Each year this program, in cooperation with the DEA, is responsible for getting hundreds of pounds of drugs out of medicine cabinets and off the street and properly disposed of by incineration.

In December the Sheriff's Department celebrated the 15th anniversary of "Operation Santa". We received generous, overwhelming support from many local area businesses and community members. Thank you! The program helped bring a happy holiday season to over 311 children in our community. We want to once again thank our own Tammy Lacourse who works tirelessly all year to make this a success. If you know of a family or child (children) in need throughout the year with clothing or other needs please contact your school to let them know, if not please contact the Orleans County Sheriff's Department to see if we can help.

Respectfully Submitted,
Jennifer L. Harlow, Sheriff

Thank you **Town of Newport** voters, for your appropriation support at your Town Meetings. Annual appropriations are a vital funding source to provide needed services to residents who cannot otherwise afford care. The 2023 appropriation request of **\$3188** is the same amount voted on at the 2022 Town Meeting. This represents 3.31% of appropriation requests from 48 towns. We offer supportive confidential program services for Emergency/Crisis Services, mental health, addiction, and/or developmental/intellectual disabilities. Our mission is to empower individuals, families, and communities by promoting hope, healing, and support.

Summary Activity Report July 1, 2021 through June 30, 2022:

- **2887** individuals of all ages in our service area utilized support services.
- **60** individuals **from the Town of Newport** accessed supportive care at NKHS.
- Employees provided **over 94 hours** of community consultation, education, and outreach in community meetings, events, and trainings in NKHS offices, area schools, and businesses at no cost to participants. We offered QPR (Question, Persuade, and Refer) suicide awareness and prevention trainings, Youth Mental Health First Aid, and other educational opportunities to at least 200 Northeast Kingdom community members.
- **552** total dedicated professional employees, **15 from the Town of Newport**, support community members in the Derby or St. Johnsbury offices, the satellite office in Hardwick, telehealth, in homes, in schools, and throughout Northeast Kingdom communities.

Good mental health is important for everyone. As a Designated Agency serving the Vermont's system of care, NKHS has a responsibility for assuring that a comprehensive range of services are available regardless of an individual's ability to pay. A sliding fee scale is available for those in financial need. Northeast Kingdom Human Services is asking the Town of Newport voters to consider helping neighbors, family members, and friends receive the supports they need to live a happy, fulfilling life and be an active and contributing member in your community.

Thank you so much for your support!

Activity Report for Newport Town
Fiscal Year 2023 – July 2022 – June 2023
Town Appropriation Request: \$2,200

Since 1976, Umbrella has ensured that communities in Caledonia, Orleans and Essex counties have access to services that cultivate a Northeast Kingdom where all people thrive free from abuse and oppression. Umbrella operates 4 multi-faceted, client-centered programs and plays a crucial role in decreasing the incidence and impact of domestic and sexual violence. Services offered include:

Social Change focuses on prevention education and initiatives in schools and in the community that aim towards preventing gender-based violence, and creating a community where abuse and oppression are acknowledged and addressed. One of our strategies is to provide pathways for girls to work within this social change and prevention field through the Youth in Power Program. In FY22, we provided 1865 youth with educational workshops throughout our 17 school partners. We provided 214 adults with educational programs through 12 workshops and 5 advocacy training sessions.

Advocacy Program serves survivors of domestic and sexual violence, stalking, teen dating violence, as well as violence related to gender or sexual orientation - which in total we characterize as gender-based violence. In our work, the client leads and we support them in any way they need us to including legal advocacy, housing advocacy, support with parenting after trauma and more. In FY22, 633 individuals received direct advocacy, 65 adults and 39 children were housed in our emergency shelters as a result of fleeing domestic or sexual violence and 25 people were housed in our Transitional Housing program.

Family Based Services focuses on child-care and strengthening family relationships. *Kingdom Child Care Connection (KCCC)* assists families in the Northeast Kingdom to receive subsidized childcare, appropriate child care referrals and specialized childcare placement support. *The Family Room* offers supervised visitation for families throughout the Northeast Kingdom. In FY22, KCCC served 732 families and the Family Room worked with 50 families, serving 70 children.

Economic Empowerment serves women with significant barriers to employment in Orleans and Northern Essex Counties. Our *Cornucopia* program, and our social enterprise, *Dolcetti* each wrap around women to support them in building job readiness skills while helping them to address challenges in their lives so they are able to move towards financial self-sufficiency. In FY22 as part of the skill-building program, participants packaged and prepared 30,453 meals for homebound seniors through Meals on Wheels.

Given that some services are provided anonymously, it is difficult to provide each town with a precise number of people served by Umbrella. However, at least 69 households in Newport Town were served by Umbrella in Fiscal Year 2022 and the community as a whole benefited from prevention and outreach programs in schools, as well as training and consultation for human service and law enforcement professionals.

Community support is critical to sustain our programming and to discover innovative approaches to the work Umbrella does. We are deeply grateful for Newport Town's support.

Respectfully,
Amanda Cochrane, Executive Director

Rural Community Transportation

Rural Community Transportation, Inc. (RCT), is a private nonprofit 501(c)(3) corporation which has provided public transportation services throughout Caledonia, Orleans, and Essex Counties since 1991, and now serves Lamoille County. RCT operates fare-free shuttle and commuter bus routes, allowing connections between towns in our region and the ability to travel throughout Vermont and beyond. RCT also provides demand-response transportation services under several programs, such as Medicaid, the Elderly & Disabled program, and Rides 2 Wellness.

RCT runs four commuter routes to enhance access to employment, connecting Morrisville to the towns of Barre and Waterbury, and St. Johnsbury to Montpelier and to Littleton. We operate three shuttle routes tying Morrisville, Newport/Derby, and St. Johnsbury/Lyndonville residents and nearby Vermonters to essential locations, from grocery stores to medical centers. Shopping routes provide similar service spanning Morrisville and Stowe in the west, Newport and surrounding towns in the north, and Lyndon to New Hampshire in the east. Our neighbors who utilized over 130,000 rides in FY2022 have expressed their gratitude and noted their dependence on our services.

As COVID-19 restrictions are relaxed and Vermont moves forward, RCT remains committed to providing safe, reliable, accessible, and affordable transportation, and continues to be responsive to the safety needs of riders, including those who may not have another means of pandemic-sensitive transportation.

RCT gratefully benefits from a robust and growing volunteer program, with sixty volunteers providing rides to neighbors and those needing non-shuttle transportation to access vital services. We depend on our volunteers to help meet the needs of their neighbors near and far.

RCT operates with federal and state funding; however, our funding sources typically require between 20% and 50% locally matched dollars. All town appropriations received are used to provide the required local match, and are therefore crucial to RCT's operations. Your generosity allows RCT to transform your funding into the ability to thrive, grow, and provide your community with reliable quality transportation service.

For over 44 years, the Northeast Kingdom Council on Aging has been a valued and trusted resource for older Vermonters to age independently, their way. Our mission is to deliver the person-centered support necessary for our older Vermonters to sustain their independence and live well in their communities.

Our valuable services include a Helpline, Medicare counseling and Bootcamp, specially-trained staff who help people develop long-range planning as they age, exercise and mobility programs, family and caregiver support programs and grants, case management for those who need a bit more support with aging in place, as well as assistance in applying for fuel, food, and pharmacy programs.

Our nutrition programs partially fund 14 meal sites and home delivered meals under the guidance of our registered dietitian. Working with RCT and Legal Aid, we provide solutions for the complex challenges people face while living in a rural community. In addition, our work is supplemented by over 320 volunteers who serve as home-delivered meal drivers, wellness program leaders, friends who make neighborly check-in phone calls, and home-based caregivers.

Our service area extends across the entire Northeast Kingdom, all Caledonia, Essex, and Orleans counties. During this past year, 65 residents of Newport Town used the services of our organization to meet their needs. People called our Helpline for assistance with caregiving and programs such as 3SquaresVT, Medicaid and Medicare, our e-learning portals Trualta and GetSetUp, fuel assistance, and transportation, among other services. Our website www.nekcouncil.org provides information on many of our programs and services.

We sincerely thank the residents of Newport Town for your continued support to make a difference in the lives of your residents who are often the most vulnerable. As a private non-profit, we are able to remain independent and put the focus on our clients who need unbiased assistance.

If you have a friend or family member who may benefit from our services, please contact us. We're just a phone call away at the Helpline: 800-642-5119 or (802) 748-5182.

The staff at the NEK Council on Aging wish to extend a special note of thanks to all the residents of the towns that supported us with an appropriation or donation during the COVID-19 pandemic. Requests for our services increased substantially and we remain grateful for the support of our friends in the Northeast Kingdom as we continue to help elder Vermonters to age positively.

Orleans County Citizen Advocacy

"Our Mission is to create and support relationships between community volunteers and individuals with intellectual and developmental disabilities so that all are heard, empowered and fully included in the community. We strive to engage all members in opportunities that enhance quality of life."

Dear Newport Town Voters,

Orleans County Citizen Advocacy (OCCA) was founded in 1988 to promote friendships between individuals with developmental disabilities and community volunteers. Through one to one matches, we help our members build empowering relationships where each person is respected, included, and heard.

In the last few years, in order to address challenges of isolation and loneliness brought on by the covid pandemic, we have attempted to increase meaningful opportunities for community inclusion by offering a variety of in-person and online activities. However, we continue to face obstacles to meeting the diverse unmet needs of people with disabilities in our communities.

To address these needs, OCCA has begun a brand-new program to create a "hotline" for anyone in Orleans County with developmental disabilities (or their caregivers) to call for help. Our goal is to assist people who may fall through the cracks between what private and public support networks provide. We intend to get the hotline up and running in the beginning of 2023 with a robust publicity campaign. We will periodically evaluate and adjust our program to ensure effectiveness. We encourage anyone who is interested in volunteering for any of our programs to contact us.

Since its inception, OCCA has continued to function without any federal or state funding. We have a small budget and low overhead. Our activities are funded through town appropriations, donations and small grants. All appropriations stay in Orleans County and directly impact and benefit our neighbors. We thank Newport Center voters for your past support, and once again are asking for an appropriation of \$500.

Best Wishes,
 Rich Ossias Ann Stannard
 Co-Chairs, OCCA Board of Directors

2022 ANNUAL REPORT

NEK Broadband had a successful and busy year. Construction continued throughout 2022, and customers in Concord, Waterford, and Lunenburg were connected to our fiber-optic internet network! We prepared multiple grant applications, received significant funding from a multitude of sources, and were able to procure and purchase a majority of the materials needed to continue construction throughout our district.

PREPARING FOR CONSTRUCTION

- We purchased over 700 miles of fiber optic cable.
- More than \$2 million in hardware and equipment was ordered.
- We submitted the necessary applications to eight electric and communication utility companies, giving us access to more than 12,000 utility poles spread over 500 miles of roadways in 24 towns. We are now able to prepare these poles for installation.

Orleans Essex VNA and Hospice, Inc.

SERVICE REPORT FY 2022

Orleans Essex Visiting Nurse Association (VNA) and Hospice, Inc. provides professional quality home health services to the residents of the 24 communities in Orleans and northern Essex counties. We serve the elderly, homebound and chronically ill through the VNA and homemaker programs and the terminal y ill through our Hospice program. Special programs include a variety of clinics available to the public. As the only not-for-profit agency serving the area, our services are available to anyone in need regardless of their ability to pay and all clients are charged the same fee for the same service. We are locally controlled by a volunteer Board of Directors representing the towns we serve. We adhere to strict regulations, which prohibit the practice of charging more to a client who can afford services to compensate for those who cannot. All revenue, by law, goes back into the Agency to provide, maintain, and improve services and programs.

SUMMARY OF SERVICES:

Total Agency Visits FY 2022	41,113
Total Visits FY 2022 -Town of Newport.....	1,471

During Fiscal Year 2022 , home based services were provided to 61 individuals in Newport Center for a total of 1,471 multi-disciplinary visits. 16 residents received services through Agency-sponsored wellness programs.

Appropriation Request for 2023.....	\$4,200.00
-------------------------------------	------------

Members of your community are in need of services daily and they receive them from the dedicated staff of the Orleans Essex VNA and Hospice, seven days a week, 24-hours a day. The funds your community appropriates to our Agency allow us to continue providing much needed care to individuals without third party insurance and those unable to pay, and provide special programs open to all community members. The Orleans Essex VNA & Hospice is supported by donations, service fees, and the generosity of communities who realize that in order to continue providing high quality home health services to their family members, friends, and neighbors, appropriations are desperately needed.

Respectfully submitted,

Newport Local Health Office Annual Report 2022

Twelve Local Health Offices around the state are your community connection with the Vermont Department of Health. Your district office is at the address and phone number above. We provide essential services and resources to towns in Essex and Orleans Counties in order to protect and promote the health and well-being of people in Vermont. For example, in the past year and beyond, the Newport Local Health Office:

Protected communities from COVID-19: Since the pandemic began three years ago our doors have remained open, and we’ve been able to serve communities thanks to individuals, families, schools, businesses, first responders, and countless others that worked with us to meet the needs of local towns. We provided vaccine, testing, and information, along with other key public health services.

Worked to prevent and control the spread of disease: In collaboration with community partners, since COVID-19 response efforts began, we hosted over 70 COVID-19 vaccination clinics and provided over 7,370 COVID-19 doses. Since August 2021, all local health offices have also documented and helped manage 8,125 COVID-19-related situations, including 1,271 COVID-19 outbreaks.

Ensured local preparedness for future emergencies: We worked with partners like schools, hospitals, and emergency personnel to ensure effective pandemic response and support preparedness to distribute medicine, supplies, and information during public health emergencies. This year, we responded to the emergence of human monkeypox virus by sharing information and providing vaccine to community members.

Stayed attentive to people and communities most underserved: We provided services and resources to people who are more likely to experience adverse health outcomes due to health inequities. For example, we provided vaccine at schools without access, shelters, meal, and food distribution sites, farms, and more.

Collaborated with Town Health Officers around environmental health: To help Vermonters better understand the relationship between their environment and their health, we collaborated with towns and other local partners. Find information about environmental health including lead, cyanobacteria (blue-green algae), food safety, drinking water, climate change, healthy homes, healthy schools, and more at www.healthvermont.gov/environment.

Provided WIC services and resources to families and children: Provided WIC nutrition education and support to 1,068 individuals between July 1, 2021 and June 31, 2022, while enabling them to save on groceries so they can have more to spend on other things their family needs. WIC also empowers families with breastfeeding/chestfeeding support and provides referrals to other health and nutrition services. Learn more at www.healthvermont.gov/wic.

Supported student health and youth empowerment: According to the Vermont Youth Risk Behavior Survey, 59% percent of students in Essex County and 45% in Orleans County agree or strongly agree that they “believe they matter to people in their community.” The state average is 58%. Regionally, efforts like mentoring and after-school enrichment programs help to ensure youth feel valued and included.

Promoted health in all policies: Health is not just individual behaviors and access to care, it’s also housing, transportation, food access, education, natural resources, and other social determinants of health. We worked with towns, schools, worksites, healthcare providers, and other community organizations to establish plans, policies, and programming that improve health and wellness. To achieve health, we must continue to work together to improve opportunities for health across all sectors and periods of our lives.

Executive Committee Report

The NEKWMD finished 2022 by processing less recycling compared to 2021 – 2,579 tons in 2022 compared to 2,952 tons in 2021. While most commodities showed decreases of about 40 tons, compostable material led the decline in commodities with a drop of 182 tons compared to 2021. Scrap metal and battery tonnages were nearly identical in 2021 and 2022. Recycling markets were very strong for nearly all of 2022, but took a dramatic drop in the last quarter.

The District ended 2022 with a surplus of \$5,604.53. Revenues in 2022 were 6.63% above projections, while expenses were 5.98% above projections. The District continued to benefit from the after affects of the pandemic through elevated commodity prices. Surcharge revenue was the primary driver for strong revenues in 2022. Some fees used to generate revenues will increase headed into 2023. The reintroduction of employer sponsored health insurance and an inflation rate of over 7% are the drivers of these increases in 2023. The per capita assessment will increase from \$0.84/person to \$1.06/person, and the surcharge will increase a dollar from \$24.99/ton to \$25.99/ton. Hauling fees and fees for tire management will remain unchanged in 2023.

There were no additions or subtractions to the District membership in 2022. We continue to serve the largest geographical area and largest number of towns (49) in the State. Our population served is 3rd in the state behind only the Chittenden Solid Waste District and the Central Vermont Solid Waste Management District.

The NEKWMD is entering 2022 with a proposed budget of \$846,615.50 – an increase of 4.6% compared to 2021.

The NEKWMD was staffed by nine full-time and two part-time employees in 2022. Each of the member Towns is entitled to representation by at least one Supervisor. The Board of Supervisors is the principal authority over the NEKWMD and the primary means of contact with the member towns. The Board of Supervisors meets monthly with the District’s Executive Director to set the direction of NEKWMD policy.

Since the surcharge on trash is based on the amount of waste produced, members have a clear opportunity to control their waste management costs. Costs can decrease as waste generation rates decrease and recycling rates increase.

We would like to express our appreciation to our able staff for their continuing commitment to our mission. The 47,600 residents of 49 Towns throughout the Northeast Kingdom can be assured that the NEKWMD will continue to address their waste management concerns in a timely and environmentally sound fashion..

The NEKWMD reserves the right to terminate any collection early in the event that we are at storage capacity.

HHW Collections are free and open to residents of all DISTRICT TOWNS
Please limit HHW disposal at listed events to 20 gallons. If you have more than 20 gallons, or are a business, please call our office to schedule an appointment at our Lyndonville facility, May 2 – Oct. 5, 2023.

Not going to be able to make any of these dates? NOT A PROBLEM! The NEKWMD will be accepting these materials by appointment at our Lyndonville facility from May 2, 2023 to October 5, 2023. Due to regulatory handling requirements, hazardous wastes will not be accepted without an appointment. Scheduling ahead ensures that a qualified individual will be on-site ready to accept your hazardous waste.

What are *Household Hazardous Products*? They are consumer products that contain ingredients that **may be**:

- Toxic**- poisonous if eaten, breathed, or absorbed through the skin
- Corrosive**- can burn or destroy living tissue if spilled on skin
- Reactive**- creates fumes, heat, or explosion hazards if mixed with certain materials such as water
- Explosive**- can explode with exposure to heat or pressure
- Flammable/Ignitable**- can easily be set on fire

To determine if a product in your home is hazardous, check the label for the following words:

- Danger indicates that the substance is extremely flammable, corrosive, or toxic.
- Poison means that the substance is highly toxic.
- Caution/Warning is put on all other hazardous substances that are a somewhat lesser hazard, but are still dangerous if the directions are not followed closely.

Conditionally Exempt Generator businesses can also use the Lyndonville collections for the actual cost of the disposal of their materials. Please call ahead for pricing and an appointment.
