*****SELECTBOARD REPORT*****

2017 was an interesting year with a huge turnover of personnel. Missy has done a great job of filling the shoes of the longtime and very capable town clerk, Greg Gallagher. Missy has kept the office running smoothly and efficiently.

The Road Crew has seen Darcy retire and Steve resign from the town. Clayton Butler was promoted to Road Foreman and has shown he is very capable and ready to take on the responsibilities of overseeing the roads. Burton Hinton had been training with the road crew and has stepped in to help keep the roads in the good shape we have all come to expect.

The Transfer Station employees all got done at about the same time, but Amanda Cook and her family has done a great job of running the place. We changed to a Zero Sort recycling program to save on man hours. This seems to be working very well, but we still need everyone to help in keeping the garbage out of the recycling. Getting rid of trash and recyclables continue to take up a lot of time and money.

One of the biggest controversies was when the ATV clubs asked to have the roads opened in town. We do appreciate all the calls, emails and people coming to the meetings to comment on issues like this. It makes it easier to make a decision when you have a good feel of what the townspeople want.

This leads us to another touchy subject, the South Beach. The State, Forest, and Parks want to make changes to the parking, trails and restrooms, but they do not want to get involved with the clothing optional. They have left it up to the town and will back whatever decision the town makes. We would like to put out an opinion poll at Town Meeting for voters and taxpayers of Westmore. Please fill one out so we can get better feedback of what Westmore residents want to do about this, if anything. We will be having a meeting on the subject during the summer when most of the complaints happen. If any unwanted intimidation or harassment occurs at either beach, please report it to the Sheriff's department so we have a record of it.

We do have an Animal Control Officer that works for the town under contract so if anyone has a problem with any domestic animal, calls can be directed to Renee Falconer.

These were some of the highlights of the things we worked on this year along with the many issues that come up on a regular basis.

We appreciate your confidence in us as a Selectboard and welcome any comments. Feel free to call or stop us when you see us with your concerns.

Respectfully,

Bill Perkins

David Stevens

Burton Hinton

***** TOWN CLERK'S MESSAGE*****

It is with great appreciation that I sit and write this message to all of you. Since being elected in March of last year, I have thoroughly enjoyed this position and getting to know all of you. I have learned an incredible amount in such a short time and still have plenty more to learn. I have great support from Greg and surrounding town clerk's to lean on.

Over the past year we purchased the Cash Receipts module of NEMRC. This has given us the ability to track our fees better and the monies we take in. I feel this was a great investment for us. It streamlined the process, made things more efficient and created transparency. The software has already paid for itself as we collected \$2500 more in fees than what was budgeted.

This summer we decided to start using NEMRC Cloud Services. This ensures the integrity of our data and will cut down on hardware costs when needing to purchase a new server. The other huge benefit is it has allowed our Delinquent Tax Collector to work from the same application as I do in the office and she can do this from home. It's easier for both of us, proven to be more efficient and has streamlined this process. As for me and our Lister's, we are able to work from home if needed which at times is very helpful when things are really busy.

The security of the town Municipal Office saw a significant change. With the help of a grant, we were able to install a new security system and have 3 security cameras in place. Ironically, the security system has already benefited our local law enforcement. It helped significantly in their investigation of the moose dragging from Westmore to Orleans.

Our annual auditor's report came back very positive. The Town of Westmore is in a good financial position and our contracted auditors feel we are a "model town" for other towns to look at.

A strong passion of mine is trying to help bring our community together. While I know it's not a town clerk's responsibility I feel I'm in a position to create unity. We had our 1st family movie night in the park late this summer, a wonderful Thanksgiving and Christmas luncheon for town employees, and a special family tree lighting in December. It was beautiful to see the smiles, the laughter and everyone enjoying themselves.

I feel very privileged to be your Town Clerk/Treasurer and enjoy my job immensely. Thank you all for your support and guidance. It doesn't go unnoticed.

Respectfully,

Melissa S. Zebrowski, Town Clerk/Treasurer

*****AUDITORS' STATEMENT*****

The Selectboard has contracted with Pace & Hawley, LLC out of Montpelier to perform the audit for the year ending December 31, 2017.

Due to the short timeframe of the town's fiscal year ending in December and when the town report has to be printed, the audit will not be able to be completed until later this spring. Once the audit is finished, the published report will be available at the Town Clerk's office for public inspection.

*****2017 CEMETERY REPORT*****

We are pleased to report the paving of the roads were accomplished this year. By waiting an extra year, we had the paving done at the same time as the Route 16 project, therefore, receiving a better price.

This year we are hoping to get some of the broken stones repaired and start the process of cleaning the stones in sections of the cemetery.

We need help keeping the cost down by not putting glass bottles around the headstones and keeping the paraphernalia around the stone to a minimum. This will help the people mowing and trimming cut down on the time they have to spend on up keep of our park like cemetery grounds.

Thank you to Jon Perkins and his crew for doing such a careful job.

2017 LISTER ANNUAL REPORT

The Listers continue the maintenance of the Westmore Grand List and all that encompasses, completing our tasks within the schedule deadlines set by the State of Vermont. Due to the ongoing legislation and taxation complexities of the Lister position, in 2017 we took advantage of several State provided workshops / trainings. We were reimbursed for a majority of the trainings we attended.

The Town of Westmore enrolled in the first year of a 3 year statewide mapping project that makes parcel information available to state-sponsored sites like ANR Atlas and the E911 Viewer. As a first year enrollee Westmore's next update of property maps (due in December 2018) will be partially funded. This is an on-going project working with our mapping contractor: information can be found for this program at <http://vcgi.vermont.gov/parcels>.

The Listers entered 53 property transfers with closing dates between 3/31/2016 – 4/1/2017.

Westmore has a total of 712 parcels (692 taxable parcels) including:

- 122 Residential Homes less than 6.0 acres
- 66 Residential Homes over 6.0 acres
- 31 Mobile Homes Unlanded
- 12 Mobile Homes Landed
- 48 Seasonal less than 6.0 acres
- 34 Seasonal over 6.0 acres
- 7 Other (including commercial type)
- 3 Utilities
- 5 Farms
- 225 Water Front
- 139 Land only

Westmore's 2017 Coefficient of Dispersion (COD) was 7.66% and the Common Level of Appraisal (CLA) was 104.38%.

A brief definition for both the COD & CLA from the state:

The COD "is a measure of uniformity of appraisal for all properties in the grand list. It measures the average deviation from the market value of sold properties from the average town-wide level of appraisal. A COD of 0.00% is perfect as it indicates absolute fairness insofar as every taxpayer is appraised at exactly the same percentage of fair market value. Such perfection is impossible to achieve. A COD of 10% or lower is considered to reflect a relatively high level of equity across taxpayers' assessments."

The CLA "provides a town or citywide comparison of your total listed value to our estimate of total fair market value." A CLA that is between 80% and 120% is the accepted ratio set by the State, closer to 100% is what we strive to achieve.

Property cards can be found in the Lister section at the Municipal Office during Town Clerk hours. As always, the Listers would be happy to make accommodations for a more convenient time.

***** ROAD FOREMAN REPORT *****

2017 was a busy year for the road crew. In May, we said goodbye to our longtime employee Darcy Libby. His dedication to the town will be missed.

In June, we started the Hinton Hill paving project and completed phase 1 out of 3. Hinton Hill has the first coat of paving done. Phase 2 will be completed this year and will consist of new ditches and stone. Phase 3 will be completed in 2019 with the top coat of asphalt to complete the Hinton Hill project.

In the fall I took over as the Westmore Road Foreman and feel confident to be able to do this job well. The summer of 2018 is looking to be a busy one. We will be doing a lot of stone and ditch work. We have 2 grants left over from last year to complete. The 2 Better Back road grants are for Overlook Lane and Old Cottage Lane. We will do our normal spring clean up and grading. We anticipate working on Peene Hill and Cook Road along with replacing the culverts and section of road near the Davis Farm.

Thank you for all your support. Please don't hesitate to reach out to me with questions and/or concerns.

Respectfully,

Clayton Butler

Westmore Road Foreman

*****PLANNING COMMISSION REPORT*****

The Planning Commission holds its regular monthly meetings on the fourth Tuesday of each month at 5 p.m. in the Westmore Municipal Building. Zoning Board of Adjustment meetings follow Planning Commission meetings as needed. Current members of the Commission are: Evelina Busby; Alan Cole; Beverly Decker; Robert Kennedy; Ed York; Andrew Zebrowski and Louisa Dotoli. Planning Commission meetings are open to the public and minutes are on file in the Town Clerk's Office.

The Commission continues to assist the State in the development of Sentinel Rock State Park. The installation of a sound system to allow visitors to hear Robert Decker's song was completed and is in operation. We are hopeful that in 2018 some funding become available so that progress can be made on the development of trails for hiking and cross country skiing. Long range plans also include the construction of an open air structure. Some Planning Commission members, along with other full-time and summer Westmore residents, are participating in the State's planning process regarding the South End of Willoughby Lake. Commission members are also in the process of reviewing existing Bylaws and the Town Plan.

The Zoning Board of Adjustment, which functions as a quasi-judicial board, holds hearings for appeals, variance requests and conditional use permits. All public hearings are warned according to state statute which requires posting of time, date, place and purpose of the hearing at three public locations in town, a warning in "The Chronicle" and a sign on the property, as well as notices to adjoining property owners. Minutes for the hearings and written decisions are on file in the Town Clerk's Office.

*****DELINQUENT TAX COLLECTOR REPORT*****

To: The Property Owners of Westmore, VT.

I have put a lot of effort in collecting all outstanding taxes due to the Town of Westmore. I mail monthly statements, offer payment plans; I also telephone delinquent tax payers asking for payments and made house calls. I have tried collecting tax money through small claims, successfully and not so successful. When all means of collection are exhausted, the next step is submitting these accounts to an attorney, which I have tried so hard to avoid. I believe in working with all delinquent taxpayers to collect in a timely fashion all taxes due to the Town of Westmore as suggested by VLCT.

Delinquent taxes for the town of Westmore are collected in the following manner:

Unpaid taxes become delinquent at 4:01pm October 20, 2018 this year. A delinquent tax bill will be mailed to the address on record. It is the taxpayer's responsibility to notify the Westmore Town Clerk of any change of address and does not relieve the delinquent taxpayer of penalties due to non-notification. The delinquent account will be submitted to an Attorney only after all means of collection are exhausted.

ORLEANS COUNTY SHERIFF'S DEPARTMENT
2017 REPORT – TOWN OF WESTMORE

The Orleans County Sheriff's Department provided 369.25 hours of patrol services to the Town of Westmore during 2017. The enclosed chart breaks down the total incidents, total arrests and traffic violations.

A monthly breakdown of services provided by the Sheriff's Department is available to you through your Town Clerk or from the Sheriff's Department.

The department, in partnership with the Newport Restorative Justice Board, maintains a "Drug Take-back" box in the lobby of the sheriff's department. This, in conjunction with the Drug Enforcement Administration's annual take-back days, has helped get hundreds of pounds of drugs disposed of that otherwise would have gone into landfills, groundwater systems, or used illicitly. Anyone with outdated, unused drugs can drop off those drugs during business hours at the sheriff's department for proper disposal (incineration).

In addition to the above, in 2017 the department equipped all officers & vehicles with the opioid overdose drug "Narcan". Narcan is a drug that is used to reverse opioid overdoses and with the current drug epidemic it has proven useful. Deputies have used the drug a small number of times prior to medical aid arriving on a scene.

For the second year in a row the department has provided a School Resource Officer at North Country Union High School. This has proven to be a valuable asset to the school and the community. We are currently looking for another deputy to provide the same to Lake Region Union High School beginning with the 2018-2019 school year.

In August the department switched back to the former records management system that we previously used. While the system that we had switched to in 2016 had some pro's, we found that officers were spending more time in the office doing data entry. The data entry was switched back to administrative personnel to allow deputies more time in the field. To that end, we purchased new mobile data terminals that each officer has in their vehicle that allows them some functions of data entry/report writing while still maintaining a presence in the community.

In December the sheriff's department celebrated the 10th anniversary of "Operation Santa". This program challenges area law enforcement and public safety agencies to help provide Christmas gifts to area schoolchildren. We also received generous support from many local area businesses and several individuals. ***Thank you!*** The program helped bring a happy holiday season to over 250 school children.

Like many other employers, we continue to have increases in medical insurance premiums as well as pay increases for veteran officers. I am requesting a 3% increase for 2018.

Respectfully Submitted,

Kirk J. Martin, Sheriff

Re: **Request for FY18 Appropriation, Vermont Rural Fire Protection Program**

Dear Board of Selectpersons, Town Clerks and Auditors:

On behalf of the Vermont Rural Fire Protection Task Force, I am writing to request your support of the Vermont Rural Fire Protection (RFP) Program, formerly called the Dry Hydrant Grant Program. The RFP program helps Vermont communities protect lives, property and natural resources by enhancing fire suppression resources. Program Manager and Engineering Technician Troy Dare helps local fire departments identify appropriate sites for dry hydrants and other rural water supply systems, design installations, and find financial support to support the costs of construction. During the **19 years** of the program, **1054 grants** totaling **\$2.32 million** have been provided to Vermont towns for installation of new rural fire protection systems, as well as for replacements and repairs.

Over the past several years, the Rural Fire Protection Program has made a successful transition from the Northern Vermont and George D. Aiken Resource Conservation and Development (RC&D) Councils to the Vermont Association of Conservation Districts (VACD). VACD is the membership association of Vermont's fourteen Natural Resources Conservation Districts, whose mission is to work with landowners and communities to protect natural resources and support the working landscape throughout the state.

We have made several adjustments to the Rural Fire Protection Grant Program in recent years, including changing the name from Dry Hydrant Grant Program to Rural Fire Protection Program to better reflect the diverse range of projects we support. In 2017 we increased the maximum grant award amount from \$4,000 to \$5,000 per project. New Rural Fire Protection systems along with repair, replacement, relocation, and upgrades of existing RFP systems are eligible for grant funding on an ongoing basis. In 2015 we began considering applications from Vermont towns and fire departments on a revolving basis throughout the year rather than just once a year. Please be on the look-out for the grant announcement post-card in March 2018.

The annual budget of the Rural Fire Protection Program is \$190,000 per year, \$110,000 of which is awarded in grants to Vermont communities for construction costs. The remaining budget covers site assessments, project design and program oversight. Most of our funding comes from the Vermont Department of Public Safety through annual appropriations by the Vermont Legislature. In addition, the

Re: Town Appropriation

Ladies and Gentlemen:

Rural Community Transportation, Inc. ("RCT") is requesting to be placed on the Town Warning for March 2018 for an appropriation in the amount of \$350.00. This is the same amount that was requested and appropriated last year.

RCT has been providing service in your community for over twenty five years and must reach out again for community support in order to maintain the quality of service that is needed for the members of our community.

RCT is a nonprofit corporation providing transportation to the elderly and disabled, Medicaid and general public through a van/bus and volunteer service.

RCT transports people to, adult-day service facilities, senior meal sites and necessary medical treatments such as, dialysis, radiation therapy, chemotherapy, physical therapy, special medical needs and other appointments. Last year RCT provided 266,776 rides throughout our service area.

RCT provided 3 Westmore residents with 95 trips travelling 3,146 miles at a cost of \$1,690..

We hope you will be able to assist us with this request and we look forward to continuing our service that is needed by the members in your community.

Thank you for your time and consideration.

Respectfully,

Mary Grant

SERVICE REPORT FY 2017 ORLEANS ESSEX V.N.A. and HOSPICE, INC.

Orleans Essex Visiting Nurse Association (VNA) and Hospice, Inc. provides professional quality home health services to the residents of the 24 communities in Orleans and northern Essex counties. We serve the elderly, homebound and chronically ill through the VNA and homemaker programs and the terminally ill through our Hospice program. Special programs include a variety of clinics available to the public. As the only not-for-profit agency serving the area, our services are available to anyone in need regardless of their ability to pay and all clients are charged the same fee for the same service. We are locally controlled by a volunteer Board of Directors representing the towns we serve. We adhere to strict regulations, which prohibit the practice of charging more to a client who can afford services to compensate for those who cannot. All revenue, by law, goes back into the Agency to provide, maintain, and improve services and programs.

SUMMARY OF SERVICES:

Total Agency Visits FY 2017.....	40,964
Total Visits FY 2017 - Town of Westmore.....	31

During Fiscal Year 2017, home based services were provided to 4 individuals in Westmore for a total of 31 multi-disciplinary visits. 1 resident received services through Agency-sponsored wellness programs.

Appropriation Request for 2017\$900.00

Members of your community are in need of services daily and they receive them from the dedicated staff of the Orleans Essex VNA and Hospice, seven days a week, 24-hours a day. The funds your community appropriates to our Agency allow us to continue providing much needed care to individuals without third party insurance and those unable to pay, and provide special programs open to all community members. The Orleans Essex VNA & Hospice is supported by donations, service fees, and the generosity of communities who realize that in order to continue providing high quality home health services to their family members, friends, and neighbors, appropriations are desperately needed.

**THE VERMONT CENTER FOR INDEPENDENT LIVING
TOWN OF WESTMORE
SUMMARY REPORT**

Request Amount: \$80.00

Since 1979, The Vermont Center for Independent Living (VCIL) has been teaching people with disabilities and the Deaf how to gain more control over their lives and how to access tools and services to live more independently. VCIL employees (85% of whom have a disability) conduct public education, outreach, individual advocacy and systems change advocacy to help promote the full inclusion of people with disabilities into community life.

Final numbers for our FY'17(10/2016-9/2017) show VCIL responded to over **3,000** requests from individuals, agencies and community groups for information, referral and assistance and program services for individuals living with a disability. VCIL Peer Advocate Counselors (PACs) provided one-on-one peer counseling to **357** individuals to help increase their independent living skills and **13** peers were served by the AgrAbility program. VCIL's Home Access Program (HAP) assisted **165** households with information on technical assistance and/or alternative funding for modifications; **84** of these received financial assistance to make their bathrooms and/or entrances accessible. Our Sue Williams Freedom Fund (SWFF) provided **97** individuals with information on assistive technology; **45** of these individuals received funding to obtain adaptive equipment. **534** individuals had meals delivered through our Meals on Wheels (MOW) program for individuals with disabilities under the age of 60. We are also now home to the Vermont Telecommunications Equipment Distribution Program (VTEDP) which served **49** people and provided **22** peers with adaptive telecommunications enabling low-income Deaf, Deaf-blind, Hard of Hearing and individuals with disabilities to communicate by telephone.

VCIL's central office is located in downtown Montpelier and we have five branch offices in Bennington, Chittenden, Lamoille, Rutland and Windham Counties. Our Peer Advocate Counselors and services are available to people with disabilities throughout Vermont. Our Windham County office also houses the Vermont Interpreter Referral Service (VIRS) (previously under the VT Center for the Deaf and Hard of Hearing) and provides statewide interpreter referral services for sign language, spoken English and CART services for assignments in medical, legal, mental health, employment, educational, civil and recreational settings.

During FY '17, **1** resident of **Westmore** received services from the following programs:

- Sue Williams Freedom Fund (SWFF)
(resident on waiting list for assistive technology in FY'18)
- Peer Advocacy Counseling Program (PAC)

To learn more about VCIL, please call VCIL's toll-free I-Line at:

Dear Selectboard,

On behalf of the Northeast Kingdom Council on Aging, we are writing to ask for an appropriation from the town of Westmore to support our work with older Vermonters living in your community. The challenges we face that result from a lack of increased funding and an increasing aging population make for trying times. Your support is vitally important.

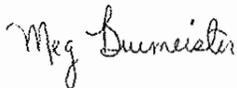

The Council on Aging is the go-to place for older Vermonters to gain assistance in their communities. We offer a Senior Helpline, Medicare counseling, staff specially trained to help people develop long range planning as they age, caregiver support programs and grants, case management for those who need a bit more support in aging in place, as well as support to apply for fuel, food, and pharmacy programs. Our nutrition programs partially fund meal sites and home delivered meals under the guidance of our registered dietitian. Working with RCT and Legal aid we provide for the complex challenges people face while living in a rural community. In addition, our work is supplemented by 300 volunteers who are Meals on Wheels drivers, lead wellness program and support people in their homes.

As a private, 501c (3) non-profit corporation, we have been serving older Vermonters for over 35 years to follow their journey for living well in our communities. This year we are requesting the amount of \$400.00 from the residents of the town of Westmore. We have enclosed a brief letter in support of the request for inclusion in your town report.

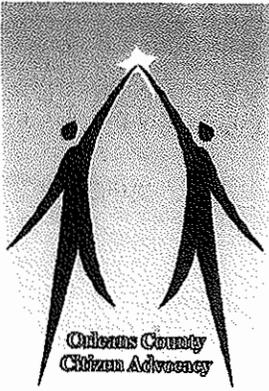

Suggested wording for the warning article for town meeting follows: *"Shall the town vote to appropriate the sum of \$400.00 to assist the Northeast Kingdom Council on Aging in providing services to senior citizens in the ensuing year."*

Please feel free to contact me should you have questions or need additional information.

Warm regards on behalf of the staff and board of the Council on Aging,

Dear Clerk,

Enclosed please find a letter from Orleans County Citizen Advocacy (O.C.C.A.) to the voters of Westmore describing O.C.C.A.'s activities and requesting an \$600.00 (six hundred dollars and no cents) 2018 appropriation request. Also enclosed is the O.C.C.A. 2018 warning plus copies of both the Citizen Advocacy Balance Sheet and the Profit and Loss Statement.

Please call me at 802-525-1133 and leave a voice mail or send me an email at debraleezimm@gmail.com to confirm receipt of these documents.

Also, please contact me if you have any questions or if there is anything further that Citizen Advocacy (O.C.C.A.) needs to do (other than submitting petitions) to complete the 2018 town appropriation request.

Your time is truly appreciated.

Re: Town Appropriation 2018

Barton Area Senior Services Inc. (BASSI) is requesting that the Town of Westmore vote to appropriate a sum of \$750.00 (seven hundred fifty dollars) to support the meal site and senior services hosted at the Barton Community Center, and to direct the Select Board to assess a tax sufficient to meet the same.

The Barton Senior Center closed and the corporation was dissolved effective September 30, 2017 (see articles of dissolution attached). We are recruiting an executive director and cook/kitchen manager to resume services of the former Barton Senior Center as soon as possible in 2017, with support of area individuals and communities.

The NEK Council on Aging reports that Westmore seniors have enjoyed access to services in Barton until recently:

- In 2015-16, Barton served 2 Westmore residents 34 meals;
- In 2016-17, Barton served 1 Westmore resident 19 meals.

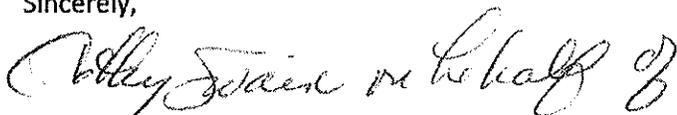

BASSI was incorporated in October 2017 by a group of private citizens as a Vermont non-profit corporation that will serve seniors in the Greater Barton Area, including Westmore. We received a determination letter from the IRS confirming that our application for 501(c)(3) tax exempt status was approved on November 2nd, effective in October. Our Certificate of Incorporation, EIN letter, and IRS Determination Letter are included with this letter.

We are proposing to Barton Village Trustees to lease the Barton Memorial Building Hall and Kitchen two days a week, and are prepared to sign contracts with NEK Council on Aging and the Food Bank. In addition to congregate meals, BASSI will offer a vibrant, inclusive, welcoming and accessible place for seniors to gather for social, educational and wellness activities that integrate seniors into the community. BASSI's purpose is:

- To promote and support the interests and independence of all senior citizens in the greater Barton area.
- To provide information about aging and related services for older adults, their families, and community, and to act as liaison between the elderly and agencies engaged in programs designed to promote health, welfare and the enrichment of life for the aging.
- To provide social, cultural, educational, and wellness activities on a regular basis.
- To provide a hot congregate meals program in a social setting, and may deliver hot prepared meals to shut-ins

Your favorable consideration of this request will be integral to help us launch for the Holidays. Thank you so much and we look forward to working with you and your seniors!

Sincerely,

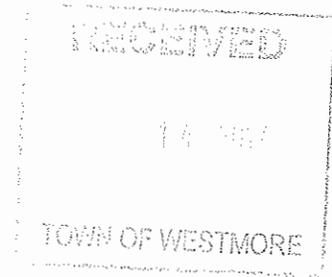

The BASSI Board: Cathy Swain, Mary Ann Royer, Dara Wiseman, Richard Jesmer, Cathy Reinstein, Dolores Chamberlain

Town of Westmore
54 Hinton Hill Rd
Orleans, VT. 05860

We thank the Town of Westmore for their support over the years and hope we can count on their continued support.

Again we would like to request a donation of \$500 from the Town of Westmore to help with our expenses.

Between the upkeep of the building, utilities, rubbish, food & supplies and payroll our expenses October 1, 2017 to October 31, 2017 was \$41,315.45. Our income was \$33,372.85. A loss of \$7,942.60.

Without the appropriations from the towns and villages we would not be able to continue serving the seniors.

Seniors enjoy coming not only for the good meals but also for the companionship. Some come early to play cards before the meal.

Sincerely,

Lake Region Senior Center

Report of 2017 Activity for Westmore
Town Appropriation Request: \$ 250

Umbrella exists to ensure that communities in Caledonia, Orleans and Essex counties offer safety, support and options for self-determination to women and families. To this end, we provide the following services:

The Advocacy Program is the essential safety net for people affected by intimate partner violence and sexual abuse. We meet the needs of victims in crisis while also offering preventative programming to local schools and youth groups with a focus on gender respect, consent, and healthy relationships. **In 2017 we:**

- supported at least **683 individuals with direct advocacy**
- housed **29 adults and 23 children in our shelter for a total of 2427 bed-nights**
- reached **500 adults and 1,000 youth with our prevention programming**

Kingdom Child Care Connection is the community-based child care resource and referral center for Caledonia and Southern Essex counties. We are responsible for helping families find and pay for high-quality child care services while also increasing the availability and quality of child development services through professional development opportunities and targeted programmatic supports. **In 2017 we:**

- connected **479 families with the Child Care Financial Assistance Program**
- offered **25 professional development opportunities to 77+ child care providers to ensure the people responsible for taking care of our youngest citizens have the tools and resources they need to do their best.**

The Family Room is a supervised visitation and monitored exchange center offering child-centered support for parents seeking to establish or rebuild relationships with their children. **Last year we helped 75 children develop safe, healthy relationships with their non-residential parent.** Additional services such as therapeutic visitation, parenting education, and mediation can also be arranged in order to help families address their unique goals and needs.

Cornucopia is geared towards helping women-in-transition achieve economic self-sufficiency. This 17-week job-skills training program introduces women to the culinary arts as they prepare Meals-on-Wheels for Newport-area seniors. After completing the program women are assisted with securing employment with a local business, in a position that fits their individual strengths and interests. **To date, Cornucopia has provided over 31,000 nutritionally-balanced meals to Newport-area seniors and empowered 10 women through hands-on culinary and hospitality training.**

Given that some of our services are provided anonymously, it can be difficult to provide precise usage figures for towns. **At least 3 households in Westmore** were served directly by Umbrella in 2017, and the community as a whole benefited from prevention and outreach programs at schools, as well as training and consultation for human service and law enforcement professionals. Community support is critical to sustaining our programming and discovering innovative new approaches to the work we do. We are deeply grateful for Westmore's support.

Dear Friends,

The mission of the American Red Cross is to prevent and alleviate human suffering in the face of emergencies by mobilizing the power of volunteers and the generosity of donors. We are a non-profit organization dedicated to helping local communities prepare for, respond to and recover from local disasters, most commonly home fires.

We also provide several other services which include supplying blood and blood products in the United States, emergency communication services for Military Service Members and their families, training courses for emergency preparedness, as well as certification courses for Licensed Nurse Assistants, babysitting, and First Aid/CPR. These services, amongst the other services and campaigns outlined below, help thousands of residents each year, and would not be possible without the generosity of donors and hundreds of local volunteers working together 365 days a year, 24 hours a day.

We provide all of our services **free** with **no** support from federal or state governments. So that we may continue to provide these essential services, the American Red Cross reaches out to partners in the community like the **Town of Westmore** for funding. For the upcoming fiscal year, American Red Cross of New Hampshire and Vermont respectfully requests a donation of **\$250.00** from our friends in Westmore.

This past year, the American Red Cross of New Hampshire and Vermont provided the following services throughout the region:

- Red Cross disaster volunteers responded to **254** local disasters, supporting **1,139** people in their time of dire need.
- We installed more than **2,200** smoke detectors in homes through our Home Fire Campaign.
- Taught lifesaving skills, including First Aid and CPR, to **29,482** people in our various health and safety courses.
- We held **3,269** blood drives and collected **92,469** units of life-saving blood.
- We currently have over **1,100** volunteers throughout the two states that help to make these services happen.

As you know, a disaster or emergency can strike at any time without warning, and the American Red Cross is committed to being in the Westmore community to help your residents in times of need. Your donation will go a long way in ensuring that your citizens receive the support they need when confronted by a disaster or emergency.

On behalf of the volunteers and staff throughout the two states, thank you for your consideration of this request to support the humanitarian work that we do. While we hope that no disasters hit your area, rest assured that the American Red Cross will be there to help if they do.

Sincerely,

Rachel Zellem

Town Clerk and Select Board Members
Town of Westmore
54 HINTON HILL RD
ORLEANS, VT 05860

Dear Town Clerk and Select Board Members:

We at Northeast Kingdom Human Services (NKHS) thank you and your town voters for supporting our agency services in the past! We are asking for your support again by adding our request to the 2018 Town Meeting Warning.

Article: Shall the **Town of Westmore** vote to raise, appropriate and expend the sum of **\$368.00** to **Northeast Kingdom Human Services, Inc.**, a not for profit 501(c)(3), to support the provision of 24 hour, 7 days a week emergency/crisis services to residents of the **Town of Westmore**.

We calculate our appropriations request by \$1.05 per person from your town's 2010 census. We are asking for the same amount as last year to help support our Emergency Crisis Services program. Our dedicated emergency crisis on-call employees provide 24 hours a day, 7 days a week support for anyone calling for themselves or someone they love who is in a mental health crisis. These services are not fully funded through any other funding streams, so your support is very important. Please share the attached Annual Fiscal Year Summary with your voters.

NKHS is a Designated Agency contracting with the State of Vermont serving the mandated service areas of adults with intellectual/developmental disabilities, children and youth with serious emotional disabilities, and adults with chronic mental illness and/or substance abuse issues. NKHS employs over 500 dedicated staff doing their best to meet your needs or those of your family member and friends in the Northeast Kingdom. Our dedicated volunteer Board of Directors provides oversight for the leadership team and the organization. If you need more information, please contact Ruth Marquette, Administrative Assistant, at 334-6744, ext. 2325.

Thank you for your support and recognition of our value to the Northeast Kingdom.

TO: Melissa Zebrowski, Town Clerk, Town of Westmore
RE: Appropriations for 2018 Meeting

The Orleans County Court Diversion Program asks that you include the enclosed request in your Town Warning for 2018.

Court Diversion is a community response to juvenile and adult offenders. A Review Board comprised of community residents reviews cases after the participant has met certain program criteria. The Review Board designs a contract, with the participant, which specifies the conditions of the person's participation. If the participant satisfactorily completes the contract, the State's Attorney dismisses the charges. The contract typically includes an apology and restitution to the victim, community service and other remedial, educational, or corrective services. Approximately 87% of those referred to Court Diversion successfully complete their contracts. In addition, Diversion is cost effective; it takes far less money to process a case through Diversion than through Court, and the Diversion process is controlled by community people with vested interest in making sure there are not repeat offenses.

Your support at Town Meeting is vital to the continuation of the program.

Sincerely,

Stephanie R. Bowen, MS, HS-BCP
Diversion Director

Dear Select Board Members:

I would like to introduce myself as the Old Stone House Museum's new Director, Molly Veysey. I am proud to continue the strong tradition here at the Museum of preservation and promotion of NEK history and culture. Since 1917, the Orleans County Historical Society has worked to preserve and share the rich history of our county and our region. The Society now preserves eight historic buildings in the Old Stone House Museum neighborhood, along with remarkable collections of furniture, paintings, clothing, tools, photographs, diaries, maps and letters that all illustrate aspects of our regional history.

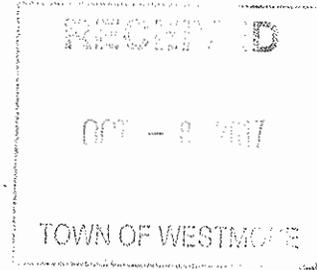

In addition to preservation, we promote our unique cultural heritage through a variety of exciting and high-interest events and programs designed to appeal to all ages, placing a particular focus on our region's children as they are the future of this area.

As a local nonprofit organization, the Orleans County Historical Society faces financial challenges in its efforts to maintain its buildings, collections and programs. Each year, the Historical Society seeks and receives support for special projects and programs through grants and restricted gifts, but the struggle to meet day-to-day operating expenses continues. In recent years, support from Orleans County towns has played an important role in helping the Society to maintain the quality of its work. With this in mind, we ask that you include the following article in your Town Meeting warning:

"To see if the Town of Westmore will appropriate the sum of \$550 for the Orleans County Historical Society to assist in maintaining the Old Stone House Museum and its Educational Program, and direct the selectmen to assess a tax sufficient to meet the same."

The Museum's financial overview and write-up for use in your town's report will be submitted by early January.

Sincerely,
Molly Veysey
Museum Director

Town report information for Green Up Day, May 6, 2017
(This is available for download at www.greenupvermont.org under “About Us.”)

Green Up Day marked its 47th Anniversary, with over 22,000 volunteers participating! Green Up Vermont, a nonprofit 501(c)(3) organization, continues to proudly carry on this tradition of Green Up Day. **Green Up Vermont is not a State Agency.** Seventy-five percent of Green Up Vermont’s budget comes from corporate and individual donations. People can now choose to donate to Green Up Vermont by entering a gift amount on Line 29 of the Vermont State Income Tax Form. As a result, Green Up Vermont has been able to significantly increase the percentage of individuals giving, thus making Green Up Day more stable for the long-term.

With your town’s help, we can continue Vermont’s unique annual tradition of taking care of our state’s lovely landscape and promoting civic pride with our children growing up with Green Up. Our East Montpelier coordinator reports “Green Up Day is an excellent teachable moment for our children.” Green Up Day is a day each year when people come together in their communities to give Vermont a spring cleaning! Green Up Vermont also focuses on education for grades K-2 by providing two free activity booklets to schools and hosts its annual student poster design and writing contests for grades K-12. To learn more please visit www.greenupvermont.org.

Support from cities and towns continues to be an essential part of our operating budget. It enables us to cover sixteen percent of the operating budget. All town residents benefit from clean roadsides! Funds help pay for supplies, including over 50,000 Green Up trash bags, promotion, education, and the services of two part-time employees.

Mark your calendar: May 5, 2018 Green Up Day, 48 years of tradition!

Northeast Kingdom Learning Services, Inc. (NEKLS) has served the residents of Caledonia, Essex, and Orleans counties for almost 50 years by providing free services through five Community Learning Centers, a mobile computer lab, and various on-site and in-home educational programs. The residents of these counties that have utilized NEKLS services have worked on and received a high school diploma or GED, gained job skills, prepared for college courses, received family and child support services of various kinds and much more. NEKLS has also provided prevention programming aimed at reducing underage alcohol and tobacco use.

State and federal budget challenges continue to impact funding of community nonprofits such as NEKLS. Town appropriations are vital in keeping services free for the hundreds of community members we work with each year, helping to make their goals a reality. Funding helps to maintain high quality services as they are and to introduce new programs as well. NEKLS is requesting a town appropriation of \$500 to help support programs that we deliver in your area.

Enclosed is our NEKLS appropriations flyer to include in your town report; it is a detailed summary of our services for taxpayers' information.

We hope you will continue to support NEKLS as we look forward to another year of being an important partner in your community. Thank you for your consideration.

Respectfully submitted,

NORTHWOODS STEWARDSHIP CENTER

Connecting people and place through science, education and action

December 12, 2017

Town of Westmore
54 Hinton Hill Rd.
Orleans, VT 05860

Dear Members of the Westmore Selectboard,

I am writing to respectfully request the Town of Westmore renew its support for NorthWoods Stewardship Center through an annual appropriation of \$750 at Town Meeting.

NorthWoods offers widespread conservation and educational services throughout the area and is supported through the generosity of private individuals, local communities, charitable grants and fee-for-service contracts. Our staff continually monitors local trails, maintains trailhead registers, and assesses trail conditions to prioritize larger projects. This work occurs on state, private, and municipal lands and contributes to the quality of life and environment in the Westmore community.

In 2017, NorthWoods continued its active role on the Westmore landscape by maintaining trails on Mount Hor and the South Shore trails of Willoughby. NorthWoods also maintained and groomed trails for Nordic skiers in Willoughby State Forest. Partnering with the Westmore Association and Vermont Forests, Parks, and Recreation (VTFPR), NorthWoods addressed long-standing trail maintenance issues on the Dotoli parcel which included several weeks of work on Haystack Mountain and the Long Pond Bald Mountain Trail. In addition to these projects and in partnership with VTFPR, NorthWoods restored a badly eroded lake access trail across the road from the North Pisgah trail head by installing a beautiful set of stone steps. We also held our first annual Westmore Challenge, a 26 mile hike over 5 peaks. There were 120 participants from all over the New England area.

NorthWoods is also applying for an RTP grant for 2018 in the Town of Sutton's name. The grant would fund work on the Wheeler Mountain Trail, which is a popular hiking trail often associated with the Willoughby State Forest Trails system located on public lands in Sutton and Westmore. In the late summer of 2017, NorthWoods conducted basic trail patrol of the new trail route and identified several locations that need further trail hardening and stabilization work. The work would be completed by the NorthWoods Conservation Corps during the 2018 summer and is expected to take a minimum of 2 weeks.

In 2017 and 2018, NorthWoods continues to take a leadership role in the Northeast Kingdom Backcountry Coalition, to support increased access and accessibility for backcountry skiing. The focal project is on Mt. Hor, and is the first of its kind on state lands. Through the organization of volunteer efforts, and education and outreach trips to these new backcountry zones, NorthWoods supports greater winter tourism in the region, helping to support the local economy.

Westmore children participate in our annual Summer Camps and adults frequently attend our workshops, programs and Coffeehouses—all offered at reasonable rates. Our programs support local children, empower landowners and forest managers, and invest in the local resource economy. Continued support from the Town of Westmore is critical to the success of these programs. Town appropriations provide evidence of local support and enable us to leverage additional funding through grants. Please consider this request as a good investment in our region's youth, its environment, and outdoor recreation resources.

We greatly appreciate your support! Feel free to contact me with any questions. Thank you.

Sincerely,

Dusty May

Annual Town Meeting Minutes
March 7, 2017**

The legal voters of the Town of Westmore met at the Fellowship Hall in said town on Tuesday, March 7, 2017 at 10:00 am to transact the following business:

Greg Gallagher called the meeting to order at 10:00 a.m.

The citizens of the town stood for the Pledge of Allegiance.

Article 1. To elect a Moderator for the ensuing year.

Peter Berteletti nominated Andy Berley, seconded by Ron Holmes.

There being no other nominations, Andy Berley was elected Moderator by a voice vote.

Sherriff's Deputy Bingham addressed those in attendance and asked if there were any questions. He was thanked for doing a good job.

Chris Evans reviewed the "911 Form" that was in the back of the room as well as in the back of the Annual Report. She asked that anyone needing emergency help fill it out and return it to her or Fire Chief, Chris McCarthy.

Megan Valley announced there were Act 46 surveys on the table in the back of the room.

Bill Perkins thanked retiring Town Clerk, Greg Gallagher, for his 11 years of service to the Town and presented him with a plaque.

Andy asked for a moment of silence for the those in the community that passed away in the last year:

Robert C. Rash, Willie Mae Lockwood, James A. Casey, Jr., John R. Macklin, Michael Scott Roberts, Wilma M. Devost, Stephen Barrett Tanner, Larry Dean Rash, Richard Tokunboh Dabiri, Ivy Yvonne Sinclair, Paul A. Majchrzak, Catherine E. Perkins, John William Badger, Sr., Catherine M. Lucas Inman

David explained that if this Article passed the meeting would be over.

Ron moved to table Article 2, seconded by Peter Berteletti. Passed

Article 3. Shall the Town vote to authorize the Selectboard to negotiate the Town Clerk's wage for FY17?

Bill explained that due to a new Town Clerk being elected this year, the Selectboard would like to negotiate the new salary up to the amount budgeted.

Randi so moved, seconded by Pam Prue. Passed on a voice vote.

Article 4. Shall the Town vote to authorize the Selectboard to negotiate the Town Treasurer's wage for FY17?

So moved by Ron, seconded by Peter B. Passed on a voice vote.

Article 5A. To elect a Town Clerk to finish the remaining 2 years of a 3 year term

Paul Wasklewicz nominated Melissa Zebrowski.

Don Ball nominated Maree Bushey.

Randi moved that nominations cease, seconded by Ron. Passed on a voice vote.

Bob Fitzpatrick asked if Town Clerks/Treasurers could be hired by the Selectboard.

Melissa introduced herself, gave her background and reasons she would be a good Town Clerk.

Maree Bushey then introduced herself and explained her qualifications.

Town of Westmore, VT
Annual Town Meeting Minutes
March 7, 2017

Burton asked if things that Greg did that were not specifically Town Clerk duties would be done by the contestants, e.g. organizing and attending Selectboard Meetings. Both answered that they would.

Ballots were passed out and citizens were asked to write their candidate in and bring the ballot to the front desk Ballot Box to be voted and checked off the Check List.

While this was happening, Representative Paul Lefebvre talked about what was going on in the Legislature.

After Alison Valley and Greg counted the ballots, Greg announced the results were, Melissa Zebrowski-57, Maree Bushey-15 with one blank. Melissa Zebrowski will be the new Town Clerk.

Article 5B. To elect a Town Treasurer to finish the remaining 2 years of a 3 year term

Paul W. nominated Melissa.
