Dear Julia:

I was saddened to hear about the passing of your mother. I (and Rachel) offer our sincere condolences on your loss.

Having lost one of my own parents at a young age, I know some of what you and your family are going through. I hope it helps somewhat to know that your colleagues across the country are keeping you in our thoughts. It's been a privilege working with you these past six years, in large part because of your work ethic, your positive attitude and your sincere commitment to elected officials across the country. They say who we are as adults is shaped by how we were raised as children, and I feel confident in saying your mother passed along a lot of those values we all appreciate in you today, and she must have been so proud of you. I hope these words will be a comfort to you.

Please take care of yourself and your family at this difficult time.

Sincerely,

Phil Scott
