Jane Porter  
Town Clerk's Office  
85 Church Street  
Jeffersonville, VT 05464

Dear Jane:

I wanted to take a moment to thank you for your 42 years of dedicated service to the Town of Cambridge.

Throughout your tenure as Town Clerk, Treasurer, and Delinquent Tax Collector, you've been a champion for your neighbors and an advocate for effective municipal governance. You have performed your duties with enthusiasm, integrity and unlimited passion. It's no wonder that the residents of Cambridge consider Jane Porter and "town government" to be nearly synonymous.

Your Vermont roots and upbringing speak volumes about your commitment to your community: growing up working in the family store, attending school in Cambridge, studying at the University of Vermont (my *alma matter* as well!), winning election as Town Clerk at the age of 26, and serving your fellow Vermonters ever since. The fact that you've been unopposed every year for the office of Town Clerk is a further testament to the faith and trust the Cambridge community has in you. It's clear that you've devoted your life and career to giving back to your friends and neighbors - that's the sign of a true public servant.

I wish you all the best in your final weeks on the job, and in the new chapter of your life. Enjoy spending time with your husband, and visiting your children and grandchildren in Atlanta. Thank you for your four decades of extraordinary public service to the people of Cambridge, and Vermont.

Best regards,

Phil Scott
