

SEPTENTRIO

Recd of Barnabas Hatch a plan of South Hero, which I forward carefully to the postmaster of Burlington to be conveyed in the mail to the Surveyor General.
Barnabas Hatch, Feb. 28, 1794.
SC 1000:2, 546

Recd of Barnabas Hatch a plan of South Hero and High Rock, which I forward carefully to the postmaster of Burlington to be conveyed in the mail to the Surveyor General.
Barnabas Hatch, Feb. 28, 1794.
JAMES HIGGINS
FILE WITH
SOUTH HERO

SOUTH HERO

SURVEYED IN FALL OF 1785 & SPRING OF 1784
SCALE: 1"=20 CHAINS

NOTE:
The Plan copied herein is a true copy from the original Ancient Plan now in the hands of the State of Vermont. It was taken from a map of the State of Vermont, drawn by the Surveyor General, more than 10 years ago, by John Griffith. The latter shows only the 25,000 and 10,000 acre lots, and the 10,000 acre lots are not included.
Copied by John Griffith, 1811. Printed by the State of Vermont, Burlington, Aug. 1811.

NOTE: All such parts as are shaded are left as topography and not included in the map.
Revised by Thomas J. Maynard
