**LT. GOVERNOR MOLLY GRAY TO ENGAGE WITH LAMOILLE COUNTY  
 COMMUNITY ON “RECOVER STRONGER TOUR”**

**What:** This summer, Lt. Governor Gray will be spending time in communities meeting directly with Vermonters impacted by the pandemic. Together, they will identify the additional resources needed by working families, businesses, communities, and non-profits to not only recover, but recover stronger, from Covid-19. Vermont is set to receive an historic \$2.7 billion in relief through the American Rescue Plan Act. To embrace this opportunity and to make investments that serve the needs of Vermont communities, the Lt. Governor will center the experiences and voices of Vermonters in the process. This includes taking stock of lessons learned from the pandemic and capturing stories of innovation, perseverance, and resilience. Lamoille County will be the fifth stop on the Recover Stronger Tour.
