Swanton, VT 05488

Dear Meaghan,

Thank you for taking the time to contact my office. I wanted to take a moment to respond to you personally.

I share your concerns regarding the January 6 riots in Washington, D.C. Because my office does not have law enforcement jurisdiction, I passed the video along to the Office of Attorney General TJ Donovan. The riot that took place put the health and safety of elected leaders and Vermonters at risk, as well as our democracy. Thank you for your vigilance in this fight against COVID-19, and concern for our Vermont communities.

I am deeply committed to elevating the voices of Vermonters in Montpelier, and I hope you will not hesitate to contact my office again.

I wish you good health as we work together to ensure Vermont recovers stronger from this pandemic and we restore faith in good government.

Sincerely,

A handwritten signature in black ink that reads "Molly R. Gray".

Good afternoon, I am writing to share the following video with you of Vermonters participating in this week's riot and invasion of the Capitol Building in DC. In addition to identifying these individuals for possible criminal activity, I believe it is essential they be identified and mandated to quarantine after participating in a dangerous super-spreader event that could put thousands of Vermonters at risk for COVID-19. These individuals must be held accountable for their actions and the potential damage done to the hard work we have all done in an attempt to keep Vermont safe and healthy. As Lieutenant Governor, I am urging you to move forward with the identification of these individuals and that they face the appropriate consequence to their careless actions.
