**To:** Schatz, Ken; Holcombe, Rebecca; Pepper, James; Springer, Darren; Allen, Susan

**Subject:** For today

All, understand there are numerous emails on Act 166, including an inquiry from Senator Mullins dated yesterday. I would suggest folks hold off on any further written correspondence until we are able to schedule a call later this week. Please be aware we have many people out of VT this week, but will do our best to get a call scheduled in the coming days. Thanks very much,  
Sarah
