Dear Trish:

Thank you for taking the time to contact my office. I appreciate you sharing your views on caring for our Vermonters following retirement.

I released a public statement on March 27, 2021 on this issue, which can be found on my [website](#). While I recognize the monumental crisis posed by Vermont's unfunded liabilities, I am deeply concerned that this proposal unduly impacts women and fails to protect the benefits promised to current beneficiaries.

Thank you again for sharing your views on the pension issue. I am committed to elevating the voices of Vermonters, and I hope you will not hesitate to contact my office again. I look forward to seeing you in your community soon.

Wishing you good health as we work together to ensure Vermont recovers stronger from this pandemic.

Sincerely,
