Subject: WCAX records request

Jennifer,

We are now processing a variety of requests received after April 18, 2016. You have four such requests. Please see the status of each below.

Request dated 4/26: Request regarding continued operations, receivership, financial health and/or the need for press conferences about Jay Peak and Q Burke.

Status: We are consulting with the Attorney General's Office regarding records that are potentially responsive to this request and will need to invoke the extension provided in 1 V.S.A. § 318(a)(5)(C). We will further respond following review with the Attorney General's Office.

Request dated 4/25: Request regarding state business conducted using Alex MacLean's Gmail account.

Status: This request is being processed, we will further respond with an update later this week.

Request dated 4/22: Request for all of Alex MacLean's emails related to Vermont Health Connect.

Status: Please see the production made on 4/29 for certain records responsive to this request. As this request has already been responded to in part, it will be further processed following completion of other requests.

Request dated 4/21: Request regarding Peep the duck.

Status: Filled 5/2

We hope the above information is helpful to you. If we have missed a request from your perspective, just let us know.

Thank you,
Jessica
