Thanks Jon, the UVM event will be terrific and appreciate your efforts on the event for 28th too. Both well-timed as VPIC and Treasurer owe report to legislature on progress by May 2. Will stand by for more on 28th and work with you and Jason for the 18th. Thanks again!

Hi again Darren,

Thanks for working out the Governor's UVM visit with Jason. A student government sponsored forum with the Governor is the perfect venue. The room isn't huge, but it will look great packed with students.

Regarding the April 28th youth rally at the Statehouse, I spoke with Matt Henchen today. He likes the idea, but needs to run it by the all-student organizing committee at this Sunday's meeting. The students had originally decided on a "no politicians" criteria for speakers, but Matt thinks a divestment message coming from the Governor is too good to pass up. They've been fielding other requests to speak from politicians, so don't want to open the flood gates and take away from the youth focus. But we agreed that the Governor of our state should be the exception. Also, this group had originally proposed a divestment plan to the state legislature a few years ago that apparently didn't make it out of committee, so this feels like a particularly good tribute to the legacy of this youth lobby.

Matt will be in touch with me Sunday night with a concrete proposal. If positive, I'll put you two in touch. The timing would likely be at the start of the 2-hr rally around 11 am, following the initial march to the statehouse.

Thanks,
Jon

Darren,

Upon Jon's suggestion, I've reserved a lecture hall, Aiken 102 (right next to the Davis Center), for the 18th at 5pm.

Is this a good time? I wanted to hold the room to be sure!

Best,

Jason

Hi Darren,

Sorry it's taken me a bit to get back to you regarding our conversation of having the Governor speak at UVM about divestment. You caught me during a crazy couple weeks of deadline after deadline. You know the drill better than I.

I'm writing to connect you with Jason Maulucci who is the President of the Student Government Association at UVM (<https://www.linkedin.com/in/jason-maulucci-81808b94>). He's talked with the SGA and they'd love to organize an event with the Governor. Perhaps a public panel discussion, in addition to a private conversation with our Board of Trustees on the topic. Personally, I'd love to see the Governor on stage with UVM President Sullivan having a public conversation about divestment (maybe a "between two ferns" set :-).

Jason can be reached at Jason.Maulucci@uvm.edu, or his cell is 860-268-7967. I'm happy to help, but I think an event organized and sponsored by the Student Government Association would be the perfect venue.

I'll follow up over the weekend about the other idea of speaking at

the youth rally in Montpelier in
April.

Have a great weekend,
Jon
