

FOR IMMEDIATE RELEASE

January 10, 2014

Lt. Governor Phil Scott made the following statement on the passing of Senator Sally Fox:

"It is with a heavy heart that I gaveled in today's session; our friend and colleague, Senator Sally Fox, passed away early this morning, bringing the first week of this legislative session to a tragic close.

"Sally was elected to the Vermont Senate the same year that I assumed the Lt. Governor's office. It is a sad way to start a new session, and Sally will be deeply missed by all of us.

"My thoughts and prayers, as well as those of the entire Vermont Senate, are with Sally's husband and her two grown sons, as well as her extended family and friends. A resolution will be read in honor of Senator Fox on Wednesday, January 15, in the Senate."
