## **RECORDS REQUEST**

Dear Records Request Officer:

Pursuant to the state open records act, I request access to and copies of Emails and other digital communications sent or received by the Governor and his administration pertaining to a New York Times article entitled: "The Flu, TB and Now Ebola: A Rare Legal Remedy Returns" By BENJAMIN WEISER and J. DAVID GOODMAN OCT. 26, 2014. I also request all available electronic communication received or sent by the Governor and his administration between the dates of Oct. 22, 2014 and receipt of this request relating to a Vermont man's travels to West Africa and the potential threat of Ebola. I further request all documents related to the state's potential response actions regarding this man.

Given public health concerns raised by U.S. citizens and Vermonters regarding Ebola I believe all fees associated with this request should be waived. Should a fee waiver be denied, please contact me so that I may amend the request if the cost of meeting it exceeds \$75.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act.

Thank you for your assistance.

Sincerely,

Kyle Midura
