Subject: Public records request

Hi Sue,

On a separate, though maybe related (to Seneca Mountain) wind issue, we've been thinking about and have decided [now](#) to go ahead with a request under Vermont's public-records law ([1 V.S.A. §§ 315-320](#))), for copies of any e-mails, letters or other correspondence between Gov. Shumlin and David Blittersdorf on wind-energy issues since the governor took office in January of 2011.

I'm away the rest of this week, but will check back with you on this early next week.

Thanks very much.
