Thanks, John.

I'm wondering if you would mind touching base with Sara to determine the status of the Order or to see if she might know when it will be signed? The staff will be moving into the VTrans location on March 23rd, and the GHSP Chief has been interviewed with a highly qualified candidate selected to make an offer to.

As I understand the plan or agreement the existing employees were actually to become VTrans employees on April 6, 2015... however, in

order for HR to give them new position numbers, we need the signed executive order.

If you prefer, I don't mind touching base with Sara.

Thanks,

Donna
