We'd be very happy to set-up a phone conversation. I am copying Jess Mishaan to help coordinate on the Vermont end here.

Thanks

Moving Franz to bcc

Hi Darren,

Very nice to meet you. We're really looking forward to scheduling some time for a follow up conversation. As Franz mentioned, Kevin, Don and I play various roles in the site selection process, along with other people at the company. I believe that Kevin is out of the office, but perhaps we can set up a phone conversation to continue our dialogue. Would that work for you, Pat and Kiersten?

Thanks!

Regards,
Devin

Darren,

Thanks for your follow up. We appreciated the opportunity to speak with Governor Shumlin this week and look forward to speaking further

I am copying my colleagues Devin Whitney, Kevin Kearns and Don McDaniel who are working on our facilities location planning. Devin plans to connect with you to set up a call or meeting between our teams.

All the best,

Franz,

I am so glad to hear that the conversation with the Governor today was productive for you and Dan.

I am writing to follow-up on some next steps as you explore the possibility of locating here. Vermont stands ready to partner with PayPal and we look forward to connecting you with the economic and education leaders the Governor mentioned.

As an initial matter I am copying Pat Moulton, our Secretary of Commerce and Community Development, and Kiersten Bourgeois, our senior project manager who works with Pat. Collectively the three of us look forward to answering questions, connecting your team with our team, and hopefully welcoming PayPal for a visit to Vermont.

Please let us know how you'd like to proceed.

Thanks again,
Darren
