

Honestly I don't even know how to tell you how sickening this bill is to me. How can you sleep at night knowing you gave others the "right" to murder their unborn child? How despicable! No one except for God has the right to take a human beings life. Our forefathers would be rolling in their graves if they saw what you are doing. If a person does not have the right to murder another then how can one have the right to murder an unborn child who cannot defend themselves.

You are taking away all of these baby's rights. These babies or fetuses as you perpetrators call them are just as human as you and me. They warrant the same rights as all of us. I personally do not agree with the feminist movement but if you do, think of all those baby girls you are murdering. If you want more rights, at least give those little girls the right to live.

I am sure we can all agree that the Holocaust was a horrific event in history. If the mass genocide of about 3.3 million Jews is scorned upon then why is the slaughtering of at least 57 million unborn babies acceptable. I vote pro life.
