ATTENTION - Please email handouts to the committee assistant before your scheduled meeting date and bring 10 hard copies. Please write your name, organization, date and title on each document.

With few exceptions, any documents a witness submits to a committee or to a committee assistant are open to the public.

In addition, a witness' submission of a document authored by the witness or his or her organization constitutes consent to its posting on the committee's webpage, unless the witness specifically requests that the document not be

posted. Although the committee will honor requests not to post such documents on its webpage, once a witness submits a document to the committee, it is a public record and will be subject to public inspection and copying unless exempt under the Public Records Act.
