

H.439 – HHC potential revision to PBM/340B language

Sec. E.227.1 18 V.S.A. § 9473 is amended to read:

§ 9473. PHARMACY BENEFIT MANAGERS; REQUIRED PRACTICES

WITH RESPECT TO PHARMACIES

* * *

(d) A pharmacy benefit manager shall not:

(1) require a claim for a drug to include a modifier **or supplemental transmission,** **or both,** to indicate that the drug is a 340B drug unless the claim is for payment, directly or indirectly, by Medicaid; or

(2) restrict access to a pharmacy network or adjust reimbursement rates based on a pharmacy's participation in a 340B contract pharmacy arrangement.
