Topics Discussed

The subcommittee discussed the following topics:

- The draft recommendations of the Governor's Council on Pathways from Poverty concerning housing and homelessness including:
 - Transitioning funding from the GA Temporary Housing motel voucher program to community based solutions such as rapid rehousing, transitional and supportive housing, and targeted prevention.
 - Creating an incentive program to encourage landlords to bring substandard or vacant rental housing up to code and back on the market.
 - Fully funding the Vermont Housing and Conservation Board.
 - Instituting a \$2 occupancy fee on hotel and motel stays that could be used to address affordable housing and homelessness.

Action Items

At the next meeting the subcommittee will:

- hear from providers of care to children living in shelters;
- discuss issues related to locating shelters in Vermont communities; and
- discuss H.211, which relates to establishing a homeless bill of rights and prohibiting discrimination against people without homes.

Motions
