Hi:

Okay. Figured this out.

I'll be resending an amended request, as the correspondence I'm looking for was sent from the Office of the Governor, but under the signature of Susan Spaulding.

I apologize for the confusion.

Mr. Gibson,

We received a duplicate public records request from you today regarding Frederick Dunn, yet a response had already been sent to you via email on October 23, 2015, as shown below. The attached record continues to be our only responsive record to your request.

Can you please confirm receipt of the email below?

Please let me know if you have any questions.

Thank you,
