**For the Fiscal Year Ending June 30, 2021**

HISTORY OF THE GRAND ISLE TOWN SEAL  
(FRONT COVER)

\*\*\*\*\*

DESIGNED AND ADOPTED DURING THE  
VERMONT BICENTENNIAL YEAR – 1991

One of the goals of the Bicentennial Committee was to get the people involved in submitting their ideas as to what the Town means to them. The following people presented ideas and sketches -

Loyal Bluto	Jeremy Chamberlin
David Hoag	Kimberly McCray
Rebecca McCray	Sue Sauve
Wendy Sorrell	

Local artist, Roy Newton, who lives on Quaker Road with his wife Ev, found that each of these submitted ideas had a very similar theme with lake, mountains, farms, boats, fishing and birds. He brought these all together into this finished design which makes up the cover of this Town Report. The design was reviewed by the Committee several times and the final product was accepted and turned over to the Selectmen.

This design was adopted as the first official SEAL OF THE TOWN OF GRAND ISLE by RESOLUTION of the Selectmen on Monday, January 21, 1991.

Roy Newton came to us from England where he has illustrated Children's Books. He has worked tirelessly on this project. Thank you, Roy, and all who submitted ideas. This is in the true Bicentennial Spirit of Freedom and Unity.

**\*\*\*This is a reprint from the Town Report year ending June 30<sup>th</sup>, 1990\*\*\***

**Roy still lives on Quaker Road and is still producing art.  
Sadly, his wife Ev passed away 16 years ago.**

2. To elect all Unified Union School district Officers as required by law. No questions.
3. Will the legal voters of the Town vote to have the full details of the delinquent tax list printed in the Town Report? No questions.
4. Will the legal voters of the Town vote to pay to the Treasurer, Real Property Taxes in three installments with due dates of October 31, 2021, January 31, 2022 and April 30, 2022, with an interest charge of 1% per month added if each installment is not paid by the due date; after April 30, 2022, any unpaid taxes would be charged an 8% collection fee plus the interest fees? No questions.

5. Will the legal voters of the Town approve the sum of \$961,675 as proposed by the Selectboard to meet the expenses of the Town General budget?

Jeff Parizo explained the photos of the now new town garage which is now completed with the exception of a few small items which will be done soon. The other photo is the cell tower at the County Sheriff's Department. Any proceeds from the cell tower will benefit the Sheriff's department. Diane has spoken with Sheriff Allen who said he hopes it will be up and running in two weeks. Jeff also said the salt shed is completed.

6. Will the legal voters of the Town approve the sum of \$18,000 to meet the expenses of the Cemetery Commission budget?

Terry Curren asked what happens to prior years money if all isn't spent, like the Cemetery Highway, and Recreation. They didn't seem to use all the money that was allocated to them this last year.

Sue Lawrence spoke to this. She explained that the amounts of money that is not spent goes into a general fund. Some of these funds have been earmarked for projects.

Adam White speaks to the rest of it. This year when the Selectboard went over budgets we did let department heads know we had concerns and to know what funds they still had year to year that weren't being spent. Other departments such as the Recreation had roughly \$18,000 left over from prior years unspent funds and have multiple projects coming up this year for it. The Highway Department amount left over is nearly \$307,000. The town plans to use roughly \$200,000 to pay down the new garage project. They were told if they do have plans coming up to come to the Selectboard with a one year increase and make sure these funds will be used for it. If they don't use the full line item, next year they shouldn't be asking for the same amount or to make sure they have plans for it. Also, if they have a plan for it to be able to explain it. The selectboard worked to make sure these funds come down to a reasonable level.

7. Will the legal voters of the Town approve the sum of \$20,200 for the Grand Isle Rescue, Inc. budget?

Ray Mitchell, President of Grand Isle Rescue reported. He said they are doing well financially and they had a very successful letter drive this year and last year. From an equipment standpoint they are in very good condition. He spoke of projects they have done. They have received a complete sanitizing system (for the ambulances) and with COVID it will be used for a long time. Right now they have four members who respond to calls and they are getting tired. There are a few people coming along and hope to have them licensed in the coming months. He said it looks like they are edging toward paying responders if we are to continue the service we are performing now.

8. Will the legal voters of the Town approve the sum of \$8,000 to defray expenses of Grand Isle Rescue, Inc. and Grand Isle Fire Department, Inc. dispatching services? No questions.

9. Will the legal voters of the Town approve the sum of \$67,2156 for the Grand Isle Volunteer Fire Department, Inc. budget?

Todd Boutin, Chief of the GIVFD responded. He said they are trying to try to keep somewhat level funded and did go up about 3%. Due to COVID they lost the coin drop and funds are a little tight.

Deborah Lang questioned why there are three different line items for the Fire Department; dispatch, budget and reserve and why did one of them double.

Chief Boutin stated that 1 item is for the fire department general budget, the second is for 911 dispatch services that Grand Isle/North Hero Resuce and Grand Isle Fire Department both use and the third is a request to increase the annual apparatus fund.

Adam White said in 2018 they were able to purchase a new truck for approximately \$400,000, which is on the lower end of the cost of a new fire truck. At the current rate with a \$15,000 reserve fund it would be nearly 27 years to purchase a new truck. The Fire Department works hard to ensure to maintain and take very good care of their trucks. Luckily they were awarded a grant through FEMA who paid nearly \$253,000 of the purchase of the the truck and appartus reserve funds helped pay the remianing balances. Adam stated that the fire truck purchased in 2018 replaced a fire engine from 1972. The department has a second fire engine which is nearly 30 years old and most other appartatus are coming up on 20 years old as well and will be needing replacement sooner than later.

10. Will the legal voters of the Town approve the annual sum of \$30,000 for the Grand Isle Volunteer Fire Department, Inc. Capital Equipment Reserve which is an increase of \$15,000 f/n/a Capital Pumper Reserve?

Deborah Lang asked if they expect to see that reserve fund remain at an elevated level after this year or was this a one year amount?

Chief Boutin said as of right now it will remain at that amount. He said he has one more year as Chief and after talking with the officers it will remain at that amount.

11. Will the legal voters of the Town approve the sum of \$417,180 for the Highway Department budget?

Ron Bushway, Road Commissioner reported the budget is up roughtly 3.5% over last year. Most of it is due to the wages increase approved by the Selectobard. Also added extra for repairs and maintenance and for fuel for the new garage as it's isn't known at this point what this expense will be. Ron said basically, we are level funding.

12. Will the legal voters of the Town approve the sum of \$50,000 for Road Materials?

Ron Bushway reported this is something that's been on the ballot several years now. Hopefully it will be used for this and not for flood repairs. The cost to repave one mile of road is about \$100,000

13. Will the legal voters of the Town approve the sum of \$65,659 to meet the expenses of the Library Commissions budget?

Colleen Bushway, treasurer of the Grand Isle Free Library said we try to level fund our actual spending budget every year. The increases are in the salaries and FICA and other retirement. We do not have a librarian right now that is drawing health (insurance) so we are taking \$10,000 of health that was not spent in the last year and half of this year and putting it toward this coming budget so that the actural line expense is going to be \$10,000 cheaper then we need to operate.

14. Will the legal voters of the Town approve the sum of \$16,120 to meet the expenses of the Recreation Committee budget? No questions.

15. Will the legal voters of the Town of Grand Isle approve the sum of \$10,000 to be raised by taxes to begin removing the invasive Emerald Ash Borer trees in the Town rights-of-way as needed?

Deborah Lang asked if there has been an assessment in terms of how many trees?

Ron Bushway reported he was appointed by the Selectboard to join the task force Bill Baron leads. He said there has been an assessment but doesn't know the amount of trees so far.

16. Will the Legal voters of the Town Approve the sum of \$10,000 to be raised by taxes for the Grand Isle Lakeshore Restoration Association, Inc.?

David Capin said when he looked through the Town Report he didn't see that this organization had submitted any report from last year. He said he knows the money was intended for weed harvesting mostly in the Gut and would like to know whether they got started on that last year and spent the money we allocated efficiently. Can anyone report to that?

Diane said we haven't seen anyone at this meeting to answer the question but is a question the selectboard can look into.

17. Will the legal voters of the Town approve the sum of \$1,950 to be raised by taxes for Island Arts? No question.

18. Will the legal voters of the Town approve the sum of \$6,520 to be raised by taxes for the UVM Home Health & Hospice (f/k/a VNA? No question.

Diane closed by stating how residents can vote.

Roth Perry questioned if there is any requirement for these associations to report on how these funds are used?

Diane said we will bring this up at a Selectboard meeting and get back to Mr. Perry.

AnnaMarie DeMars adjourned the meeting at 2:55PM. Rachael Griggs seconds the motion. No further discussion. All vote in favor and the motion passes

## SELECTBOARD REPORT

This past year has been very busy for the selectboard. With Covid still here and the issues that went with this never-ending pandemic. However, the selectboard and town employees have stayed vigilant and steadfast in our resolve to operate the town to as close as normal as possible.

The selectboard is still waiting on the final review of the personnel policy from Vermont league of Cities and Towns. The personnel policy has been a work in progress for the last two years.

The highway dept. has moved into the new garage and is using the new salt shed to store the winter sand and salt. Unfortunately, the 20-year-old town loader we use for loading the sand/salt gave up. The selectboard bought a new loader using existing highway funds along with the capital equipment fund.

The old fire station has been removed and grass planted.

The selectboard along with the county states attorney are on the front lines of getting the Grand Isle County courthouse reopened to five days a week. Hopefully this will be resolved very soon.

The Annex building next to the new town garage is vacant at the moment. The selectboard hopes to have more information about the use of this building very soon. The selectboard is still hoping to have a daycare/preschool there.

Our partners with the Northwest Regional Planning Commission will be conducting a traffic study on our town roads this spring/summer. It is the consensus that with the new homes throughout Grand Isle that lowering the speed limits will be necessary.

ARPA funding has been distributed to the town for this year. There is a second installment that will happen next year. The planning commission is working on a survey to get ideas of how to use these funds for the town.

The selectboard would like to take this opportunity to thank all the town employees along with the first responders who work tireless to keep us safe during this pandemic.

Please stay informed of the selectboard meetings by attending our meetings via Zoom on the first and third Monday of the month at 6:00 P.M. The Zoom information is posted on the agenda's that are out 48 hours prior to our meetings. Also, Lake Champlain Access Television records our meetings. You may watch the meeting on their website at a later date.

Please feel free to email or call a selectboard with any of your concerns or issues.

Thank you.

## *Town Clerk and Treasurer Report for FY'21*

---

Fiscal year 2021 proved to be yet another challenging year as COVID is still among us. While continuing to adjust to this ever-changing virus, it is worth mentioning our community had the ability to persevere and adapt to keep moving on.

With proper protective measures in place, the August Primary and General Election occurred. While limiting the number of booths to ensure social distancing and disinfecting after each vote made the process a bit slower, the elections went smoothly. Additionally, voters had the choice of early voting or by absentee. For the Annual Town and Unified School Election voting, the process changed slightly. Absentee ballots were mailed to all active voters by the Vermont Secretary of State's Office Election Division. This eliminated the need to request ballots individually. Although many took advantage of this voting method, voters still had the ability to cast their vote in-person.

The Town Clerk's Office on any given day is a busy place. Usually, it is the first point of contact for those utilizing the Town's service. Whether that is assisting residents, taxpayers, attorneys, title searchers, visitors or internal staff, we are always available. This office is the place that all land and vital records are recorded and preserved. Issuing marriage and dog licenses, processing requests for copies, faxing or scanning documents, land postings, notary services and temporary vehicle registrations are a few of the items that are conducted here.

Annually property taxes are generated within this office. Tax revenues are the main financial resource the Town and Unified School District operates from. Monthly and quarterly reports for solid waste disposal, animal and marriages, payroll employee related returns are also compiled and filed to the appropriated entities.

The above tasks mentioned does not list everything that occurs regularly within this office, there is always something to do. The Town's website ([www.grandislevt.org](http://www.grandislevt.org)) is a useful resource. It contains the departments, a municipal directory, multiple forms, boards, agendas, minutes and FAQ's. A secure link to pay by e-check or credit/debit cards for many town services is also available. We welcome comments and suggestions on ways to make it easier to conduct town business.

A big thank you to Sue Moquin, Scott Brown, Sue Lawrence, Joe Longo, Marie Prescott, Charles Hollon and Brad Sheridan who make everything we do together run seamlessly. Additionally, whether serving as an appointed or elected official, an employee or volunteer, every position plays a vital role in the functionality of our "Beauty Spot of Vermont" in which we live, work, entertain, pray, vacation or simply pass through.

Respectfully submitted,

Melissa A. Boutin

# Grand Isle Cemetery Commission

Grand Isle Cemetery, Route 2

Hoag Cemetery, Allen Road

After year's delay because of COVID restrictions, the planned cleaning and restoration of the gravestones in the old center section of the Grand Isle Cemetery and all the gravestones in the Hoag Cemetery was done in Fall 2021. More such work is planned in the Grand Isle and Macomber Cemeteries as funds permit. Cleaning at the Macomber Cemetery has begun with removal of branches which had grown over the gravestones.

Records list people buried in the Grand Isle Cemetery, but their graves are unmarked. A new memorial stone in remembrance of them was installed by the Cemetery Commission in Fall 2021. Money from the Russell Fund and the Hanson Fund was used for the memorial and the cleaning/restoration project.

Unmarked Graves Memorial

Updating the burial records and veterans' database and more precise mapping of the lots in all cemeteries is a continuing project.

Prior to Memorial Day, with the help of a few dedicated Boy Scouts from Troop 617, the Commissioners placed more than 240 American flags on veterans' graves at the Grand Isle and Hoag Cemeteries. Thank you to the local VFW for providing the flags.

Except for the most recent, every war since the beginning of our country is represented by veterans buried in Grand Isle cemeteries. If you know of any veteran whose grave is not marked with a flag, please let one of the Commissioners know.

Sue Lawrence must be notified before burials are done in the cemetery to ensure remains are interred in the correct place and that all paperwork has been completed.

Please remember that planting of shrubs or trees in the cemetery is not allowed. The full Rules and Regulations governing the Cemeteries are in the Cemetery section of the Town website. The Cemetery is closed to burials from December 1<sup>st</sup> to May 1<sup>st</sup> each year.

Cemetery Commission meetings are held the 2<sup>nd</sup> Tuesday of the month at 3:30 p.m. in the Town Office. The public is welcome.

Ilyo McCray, Chair      Lucille Campbell      Val Hunter      Sue Lawrence      Jane Pomykala

**Grand Isle Cemetery**, Rt. 2. Used privately prior to 1801, purchased by the Town in 1801, first known burial 1803. It is the only cemetery still open for burials. Approximately 7 acres, nearly 2,000 burials.

**Hoag Cemetery**, Allen Road - Rt. 314. It was the Minckler family cemetery prior to purchase by the Town in 1812. First known burial 1801, last 1948. Also known as the Minckler, Kent Corner or Allen Cemetery.

**Quaker Cemetery**, Adams School Road. Established 1801 by the Society of Friends; first burial unknown, last burial 1936. Many unmarked graves per Friends' beliefs. A huge boulder placed in 1899 lists names of some of the Quakers buried there. Care of this cemetery was taken over by the Town in 1949.

**Macomber Cemetery**, Adams School Road. The Macomber family cemetery, first burial in 1844, last in 1908. Care of this cemetery was taken over by the Town in 1949.

## Town of Grand Isle

### Highway Department Report

Town Highway Department is responsible for maintaining our road infrastructure as well as managing the Town Transfer Station.

Some of the duties require culvert replacement, grading gravel roads, paving, roadside mowing, brush cutting, hauling gravel, hauling winter sand and mixing with salt, snowplowing, sign replacements, review curb cuts and applications for laying pipes and wires, and many other tasks.

We did much work on a portion of East Shore North, cleaning ditches, culvert replacements, stone lining ditch, as well as paving and side dressing road shoulder.

We apply for grants on an annual basis to help offset expenses to tax payers. Some grants that we apply for are paving, ditching, structures grants, and others that may be offered.

In last year's report we mentioned the New Garage was under construction, we have now moved in and are very thankful for that. Also the new salt shed has been constructed.

The Highway Department sends special thanks to all the Grand Isle taxpayers for their support. We thank Randy Gover for taking on the Task of *Clerk of the Works* overseeing the construction of the Garage and Salt Shed. To Transfer Station employees Joe Longo, Don Hughes, and Ron Waller. To our new Highway Department employee Mike Gover, as well as all of the office staff, Melissa Boutin, Sue Moquin, Scott Brown, Listers, Planning and members of the DRB. Thank you to the Selectboard for their support on our projects and equipment needs. To South Hero Highway Dept. for the mutual aid between our two Towns.

Respectfully submitted,

Brad Sheridan, Road Foreman

Ronnie Bushway, Road Commissioner

## GRAND ISLE HISTORICAL SOCIETY 2021

This past year has been another difficult time for everyone. The Hyde Cabin Museum was able to open for two months this past summer. Attendance was good but we did not have Docents available to keep it open for as many days as usual.

We also received donations of a 12 foot sign that was originally on the Minckler Store in Grand Isle Village before it became IGA. Also received milk cans used by James Lambert of Ladd Point aka Five Point Farms.

The Historical Society is in the process of installing UV shades in the Corner School to help block the sunlight from causing damage to our artifacts in the school. We also want to install interpretive panels outside on the Museum site which will give the brief history of each building.

The Historical Society has Allen Stratton's "History of the South Heroe Island" for sale. These books are very resourceful if you are researching your Island Family. If you wish to donate or loan items to the Grand Isle Historical Society please contact us. We are still looking for treasures of the past.

The Grand Isle Historical Society receives no funds from the Town of Grand Isle. The Town owns the property and buildings. All utilities and Docent salaries are funded by the Town. The Historical Society pays for programs, upkeep of the Historical Society's artifacts, and special needs such as UV shades and interpretive panels.

The Grand Isle Historical Society would like to thank all of our volunteers.

We are looking forward to opening the Hyde Museum Site for 2022 season.

Our e-mail address is: [grandislefreelibrary@gmail.com](mailto:grandislefreelibrary@gmail.com). The library is located at 10 Hyde Rd.

Due to COVID-19, inside library visits did not resume until Sept. 2020. Curbside service & Project Bags were very popular. The Writer's Group for Adults continued via Zoom during winter hours. They were in person during June. Children's Storytime was discontinued until the weather was warm enough for it to take place outside at Donaldson Park.

Summer Reading Program: Emily Rich did outside programming. Project Take and Make Bags were available every two weeks for pickup at the library.  
The Fiber Arts Group did not meet during the winter months due to COVID-19. They look to resume in the fall.

Janet Bonneau, Library Director, continued Curbside Service for those who were leery about coming indoors. In September, the library was open by appointment. By winter only 3 people at a time could be in the building. Restrictions were removed by Spring of 2021 and the library is now fully open. Face mask are mandatory per The Select-Board.

Patrons are discovering the e-books now available through ListenUp! Vermont (Overdrive). These services are provided free to the patrons.  
Other great resources offered by the library is Universal Class with access to about 500 classes available for free and The Vermont Online Library. This is the site for educational magazine and newspaper articles, science journals, including school level content. They can all be accessed by visiting the library website and following the instructions to sign up. You need an active library card which does not cost you anything. If you haven't renewed your library card, please call the library. It takes only a few minutes. For those who have not patronized the library before, it only takes about five minutes to sign up for a new card.

Thank You to the many patrons who have supported the library this year through donations and advocating for our library. Thank You to the Friends of the Library who have purchased Attraction Passes, Storytime materials, and other essential supplies for the library. Thank You to our Storytime volunteers Emile Rich and Lee English.

Trustees meet on the second Monday of the even numbered months. Regular meetings are held in February, April, June, August, October, and December. Special meetings are held in March to welcome the newly elected Library Commissioner and November to work on the budget for the next fiscal year. Other special meetings may be called as needed for the smooth operation of the library. Unless otherwise noted in the warnings, all meetings will start at 6 PM at the library and more recently, via Zoom. Meetings are open to the public and community participation is encouraged.

We have a Library Commission's position (5 year term) that expires each March.

## GRAND ISLE COUNTY SHERIFF'S DEPARTMENT

Sheriff Ray Allen 10 Island Circle, Grand Isle, VT 05458

Office: 802-372-4482

Fax: 802-372-5771

I respectfully submit the following data of law enforcement services provided by the Grand Isle County Sheriff's Department in Fiscal Year 2021. Our goal is to improve the quality of life for the residents and guests of Grand Isle County by providing community service while upholding the laws of the State of Vermont and the statutory responsibilities of the Office of Sheriff. We make every effort to build upon the trust and support the residents of Grand Isle County have placed upon us by building sincere networks in our community while offering high-quality, cost-effective law enforcement services.

In Fiscal Year 2021, the Sheriff's Department responded to 1963 calls for service. These incidents are broken down into the eight (8) categories below along with the percentage of calls for service in each group by fiscal year.

FY21	FY20	FY19	FY18	FY17	INCIDENT CATEGORIES
33%	32%	36%	38%	38%	Agency Assists, Citizen Assists, Welfare Checks, VIN Inspections
34%	30%	29%	26%	25%	Suspicious Activity, Motor Vehicle Complaints, Directed Patrols, Alarms, Property Checks, Unsecure Premise, Search Warrants, Public Speaking
12%	14%	10%	10%	11%	Citizen Dispute, Trespassing, Noise Disturbance, Animal Problem, Threatening, Firework Complaints
8%	9%	10%	11%	9%	Alcohol, Crashes, Leaving Scene of Accident, DUI, Drugs, C&N, Traffic Hazard, Driving License Suspended, ATV/Snowmobile Incidents
6%	9%	8%	10%	9%	Assaults, Domestic Disputes, Sex Offenses, Restraining Order Violations, Juvenile Problems, Disorderly Conduct, Stalking, Arrest Warrants
4%	3%	3%	3%	3%	Fraud, Embezzlement, Forgery, Theft, Burglary, Larceny, Bad Checks, Unlawful Mischief
2%	2%	3%	1%	3%	911 Hang-ups, Missing Persons, Marine Incidents
1%	1%	1%	1%	2%	Littering (needles), Lost/Found Property, Recovery of Stolen Property

The most visible role of the Grand Isle County Sheriff's Department is the patrol division. Pro-active patrol is the first step for countless investigations involving illegal activity. Deputies not answering calls for service are pro-actively enforcing motor vehicle laws to intercept criminal activity while deterring serious traffic crashes through the enforcement of laws involving impaired driving, distracted driving, speeding and passenger safety laws. Deputies are also active within the community and in the schools teaching awareness of current public safety issues within our county. In FY2021, the Sheriff's Department pro-active approach to law enforcement documented 2072 traffic stops. **Grand Isle County has not had a traffic fatality since November 2017.**

Please contact me directly with any comments, concerns, questions, or suggestions related to Grand Isle County Sheriff's Department.

Dear Neighbors,

### Help Us Help You

Since 1951, the Grand Isle Volunteer Fire Department, Inc. (G.I.V.F.D.) and its members have proudly served the Town of Grand Isle and neighboring communities. Last year, we responded to 118 emergency calls that included structure fires, motor vehicle crashes, carbon monoxide and fire alarms, hazardous material spills, and marine and ice rescues. We currently have 18 active members who serve our community 24/7, year-round in addition to our auxiliary members which host fundraising events and help the department.

Recruitment and retention of volunteers is a challenge faced by many all-volunteer emergency service providers in our state, including Grand Isle Fire. Volunteer Fire Departments in our county, state and country are facing critically low numbers of members. We ask all residents to consider volunteer service in the fire department. There is a place for everyone. If you have any interest in joining the fire service family, stop by the station any Wednesday evening at 6:30pm or give us a call at (802) 372-5012 or email [awhite@grandislefire.org](mailto:awhite@grandislefire.org). We are happy to meet with you a different time apart from training night to show you around the station and go over any questions you might have. We need members of all abilities, whether its interior during a fire, driving and operating a pump to fire ground activities such as traffic control, setting up equipment and there to lend a hand. We train you to what you are comfortable with. This year's letter in the town report we keep simple, PLEASE CONSIDER VOLUNTEERING!

To all the residents of Grand Isle, thank you for your continued support of the fire department and its members. We strive to continue to provide the best emergency services to our neighbors and coverage area.

Sincerely,

Chief Todd Boutin

1<sup>st</sup> Asst. Chief Joe Clark

# GRAND ISLE RESCUE, INC.

PO Box 79  
Grand Isle, VT 05458

Serving the communities of Grand Isle & North Hero

Citizens of Grand Isle,

December 20, 2021

GIR Inc. is a 501(c)3 non-profit corporation that provides Emergency Medical Services (EMS) for Grand Isle and North Hero. We operate two ambulances with state-of-the-art equipment, inspected and licensed by the Vermont EMS. Training and testing for certification of providers is conducted to national and state standards; EMS procedures are determined by Vermont State Protocols.

It takes about \$85,000 a year to pay our operating expenses. 60% of this comes from patient payments for transport to the hospital (mostly insurance); 20% comes from our annual fund-raising appeal and other donations. In recent years the towns of Grand Isle and North Hero have provided an additional 20% as town appropriations approved by taxpayers. With these sources of revenue, and volunteers responding to all calls, GIR has been financially sound. Unfortunately, in recent years the US, including Vermont, has seen a dramatic decrease in volunteerism.

Last year, the vast majority of our calls were taken by only 4 of our (then active) responders (see inset graph). Of those, 3 are retired (2 are over 70, and 1 is 66) and the other a spring chicken in his 60's, but he is moving out of the area! Our younger members go on calls when they can, but they are busy working (often multiple jobs), raising families, and going to school. With well over 300 emergency 911 calls/year, this situation is unsustainable. After nearly 50 years of proud volunteer service to our towns, Grand Isle Rescue made the difficult decision to supplement our volunteers with paid responders. In December we recruited part-time EMTs to cover some of our shifts. These hires are

all fully licensed and have extensive experience – most work full-time jobs with other nearby EMS agencies. Grand Isle Rescue will continue to be a volunteer organization and we will continue to recruit new volunteers, but we need this help to make sure we can respond when you call 911.

Rescue is not a 40-hr/week job – it's 24/7/365 – that's 168 hours/wk (336 hours/wk for a typical crew of 2). GIR is working to hire about 50 hrs/wk of part-time help, and 50 hrs/wk of lower wage night response stipends for volunteer members. We believe this will help provide some relief for the current group of over-stretched volunteers. Adding even this small amount of part-time paid staff is a significant added expense, nearly doubling our operating budget. GIR has sufficient reserves to pay this for the next 9-12 months. To ensure that we can pay for responders beyond that time we are requesting an increase in appropriations from the towns. To that end, GIR requests \$73,000 from Grand Isle for FY 22/23. We are also asking the citizens of North Hero to approve an increased appropriation, proportional to the relative populations and call numbers we have historically seen. We will continue to depend on our volunteer members for the majority of our calls.

In Vermont there is no government entity required to provide (or fund) emergency rescue services. South Hero has hired part-time responders in the last few years. Milton and other nearby towns have full and part-time EMS employees to supplement their volunteers. At this time, transitioning to a partially paid rescue service is our best solution. Grand Isle Rescue is asking voters to approve these appropriations for FY 22/23. We hope to have your strong support providing this vital community service. GIR members participate to help our neighbors and our towns. We will continue to recruit and train additional members that volunteer from our two great towns. If you have questions, please contact me (372-1292) or talk to other Rescue members.

## CHAMPLAIN ISLANDERS DEVELOPING ESSENTIAL RESOURCES, INC.

### ANNUAL REPORT TO THE TOWN OF GRAND ISLE

July 1, 2020 – June 30, 2021

The mission of C.I.D.E.R. is to develop and foster resources that enable the people of Grand Isle County to live in their community with dignity. C.I.D.E.R. accomplishes this by providing direct services and collaborating with other individuals and groups. *C.I.D.E.R. feels a special responsibility to older adults and persons with disabilities.* The values that guide C.I.D.E.R. are to be: Caring, Creative, Client Centered, Community Based, and Cost Effective. C.I.D.E.R. is a 501(c)(3) non-profit membership organization governed by an elected Board of Directors representing each of the five towns in Grand Isle County. Membership is not required to receive any services or participate in any activities or programs.

Access to critical services and resources remains one of the primary challenges for Grand Isle County seniors and persons with disabilities and this continues to be compounded by the Covid-19 health crisis. Following all required and recommended Covid-19 protocols C.I.D.E.R. resumed limited group shopping trips, adult day program transportation, and the weekly Farmers Market Shuttle. We are also now scheduling a monthly group social excursion trip. Most individual ride requests are for medical appointments or grocery shopping. During FY'21 C.I.D.E.R. provided 1,031 trips in our staff operated vehicles driving 100,240 miles. C.I.D.E.R. volunteer drivers provided an additional 1,926 rides, driving 61,557 miles and donating 2,061 hours of their time. 179 Islanders received rides during this period.

The Covid-19 health crisis compelled the C.I.D.E.R. (senior) Neighbor Meals program located at the Congregational Church in South Hero to cancel all congregate meals. At that point we transitioned into providing hot, home delivered lunches twice weekly with additional frozen meals available. During the past twelve months we served 8,476 meals to approximately 101 older adults and persons with disabilities, a 93% increase from the prior year. We are planning to restart limited congregate meals in FY'22. C.I.D.E.R. also continued to partner with Franklin-Grand Isle Community Action to deliver a monthly bag of groceries to approximately 20 households through the "Food Shelf on Wheels".

During FY'21, 32 older adults participated in the C.I.D.E.R. "Living Strong" strength and balance training class. This program moved from in-person to the Zoom platform. 19 individuals participated in tai chi classes which continue in-person, usually outdoors. C.I.D.E.R. designed and built 7 wheelchair ramps or other similar home accessibility projects and the special needs equipment closet loaned 212 wheelchairs, walkers, crutches, shower chairs, and other items to 130 individuals and families. *THE C.I.D.E.R. PRESS* newsletter reaches 1,500 (mostly) Grand Isle County households each month.

The planned 30-unit affordable independent senior housing project "Bayview Crossing" on Carter Lane in South Hero successfully acquired the required funding and permitting and will break ground in September 2021. Cathedral Square Corporation expects construction is expected to take one year. C.I.D.E.R. raised sufficient funds through a quiet capital campaign to purchase a portion of the building as our permanent office. This "debt free" office space will allow us to redirect several thousand dollars per year into direct programs and services for our neighbors and community.

C.I.D.E.R. sincerely appreciates and depends on the large number of Grand Isle County residents who support us as volunteers, Members, and donors. We could not do what we do without you.

I also want to add a personal note of appreciation to the people and communities that I have come to know and work with over the past twenty years. I will be retiring in May 2022 and the search for a new Executive Director will begin several months prior. Grand Isle County is a very special place with wonderful people. I have seen so much kindness and generosity and so many people willing to step up and help their neighbors and community. I feel so blessed to have been able to be a small part of this.

Respectfully Submitted, Robin S. Way, Executive Director

The GIFD #4 is a non-profit, municipal organization. Our water distribution system is an integral part of the **infrastructure** of Grand Isle. We are part of the Town of Grand Isle, yet we are independent. Currently, the GIFD #4 supplies water to 375 households in the Town.

In *Fire Districts and How They Work: A Guide for Municipal Life*, by the Vermont Office of the Secretary of State, dated March, 1992, it states: ***"Fire districts are the orphans of Vermont municipal life. Towns and school districts have real identities, clear boundaries of authority, and good law to support most of what they do. Fire districts have none of these."***

A group of local residents established the Grand Isle Fire District #4 in 1967. A Charter and Bylaws were adopted on July 17, 1967. **The purpose of the GIFD #4 is to supply dependable, potable water.**

By Vermont law, the Fire District is governed by a Prudential Committee. The current members are:

**Merritt Vantine**, (Co-Chairman) Authorized Representative

**Peter Riegelman**, (Co-Chairman)

**Andrew Paradee**, Committee Member

**Ilene Morgan**, Committee Member

**Glen Patno**, Committee Member

The GIFD #4 Staff: **Leslie Gardner**, Plant Manager/Operator

**Esther Blow**, (Clerk/Treasurer) Authorized Representative

The Prudential Committee meets monthly, on the 2<sup>nd</sup> Monday of each month, at 7:00 PM, at the Water Plant at 204 West Shore Road in Grand Isle. The next Annual Meeting will be held on April 11, 2022, in conjunction with our regular meeting. Customers and guests are welcome to attend.

**H<sub>2</sub>O Fact** In April, 2021, GIFD #4 requested \$175,000 of the ARPA funds received by the Town of Grand Isle, to construct a booster pump station in the southwest corner of our service area, to boost existing pressure and flow for the households we serve there.

**H<sub>2</sub>O Fact** The Prudential Committee voted on December 13, 2021, to engage our engineering firm, Lamoureux and Dickinson, to undertake a Comprehensive Engineering Study. The document/plan is intended to identify and guide improvements to the water system over the next 15 years.

## ISLAND ARTS REPORT 2021/2022

The Island Arts Center at the Homer Knight Barn in North Hero is a popular destination for the arts in Grand Isle County, offering everyone opportunities to enjoy concerts, theater, art exhibits, workshops and classes. Over the summer of 2021, the restored red barn resonated with the sounds of music, dance and drama at sold-out performances. This was our 37th year of bringing music and drama to the Islands, presenting local performers and artists, and providing instruction in diverse activities, ranging from acting classes, to Tai Chi to folk dancing for adults and youth. We are dedicated to stewardship of the environment and education for the cultural enrichment and enjoyment of all.

Island Arts is a non-profit, all-volunteer organization whose central purpose is to celebrate the creative arts and creativity in the Lake Champlain Islands region. Ongoing support from neighbors and friends, the five Grand Isle County towns, the GISU and generous grant support from the Vermont Arts Council, Vermont Humanities, Forward Philanthropy made our successful 2021 season possible.

Providing opportunities for the young people of Grand Isle County to participate in the arts and creative educational projects is an important mission of our organization. From its inception, Island Arts had a strong scholarship program to assist families with the cost of dance and music lessons for children and teens. Our youth agenda also sponsors the Grand Isle County Music Fest each March where band and chorus members from all five towns participate under the direction and leadership of a visiting guest conductor and chorus leader. New in 2022, is the development of the Sylvia Barry Art Contest, a Project for Youth, in loving memory of water colorist and late wife of Allen Barry, Jr. Additionally, Island Arts has enthusiastically partnered with the Grand Isle County Farm Bureau to bring 4-H programs back to the county.

Island Arts and Full Circle Theater partnered in 2021, bringing opportunities for LOCAL Youth Theater workshops and performances in our Island Arts Center.

Sara Griswold, President of G.I. Farm Bureau and Katya Wilcox, President of IA Join hands to bring 4-H back to Grand Isle County.

Island Arts with the Full Circle Theater Collaborative will once again announce local professional theater opportunities and summer workshops for 2022.

## **Northwest Vermont Solid Waste Management District**

### **2021 Annual Report**

The Northwest Solid Waste District's (NWSWD) mission is to help its residents reduce waste, recycle what it produces, and reduce the toxicity of what ends up in the landfill. Fiscal Year (FY)2021 provided many challenges for the NWSWD and its employees due to the ongoing challenges of a global pandemic. However, waste management is an essential service and our employees adapted, improvised, and worked hard to keep our drop-off sites open and improve our systems and programs for reducing and recycling wastes of all kind.

The NWSWD's efforts resulted in the average NWSWD resident sending less waste to the landfill than the previous year! Waste diverted was recycled or reused and helped conserve resources as well as keep toxic materials out of Vermont landfills. This year the average NWSWD resident made 4.1 pounds of waste and sent just 2.8 pounds of waste to the landfill per day. The national average is over 4.5 pounds landfilled per day. Way to go!

District services offered at our drop-off sites provide all district residents with convenient access to programs to divert waste from the landfill.

- This year over 50,000 visits were made to NWSWD sites. That is almost 30,000 more than just six years ago!
- District operations diverted 1,690 tons of waste from the landfill in FY2021!
- Collected almost 42 tons of hazardous material from 1456 households through our Household Hazardous Waste program.
- Our Close the Loop compost program experienced incredible growth and we kept 784 tons of food scraps from businesses, institutions, and residents out of the landfill and helped turn them into compost. That is more than two times the amount of food scraps collected in 2015!
- The District launched a new mattress recycling program and in its first year we recycled 72 tons of mattresses that otherwise would have been landfilled.

All District staff members are available through the District office at (802)524-5986 or [info@nswsd.org](mailto:info@nswsd.org). For more information about the District and our services, how to reduce and recycle your waste, or how to get involved, call District staff at the above number. # 2021 Local Health Annual Report

Twelve Local Health District Offices around the state provide health services and promote wellness for all Vermonters. Additional information about your local health office and related programs can be found at <https://www.healthvermont.gov/local>.

## COVID-19

It has been almost two years since the COVID-19 pandemic began, and in response, our families, schools, businesses, first responders, and countless other groups have worked to better protect the health of our communities. Together we ensured towns had access to the vaccine, testing, and other services needed to make more informed decisions about their health. As of December 1, 2021, approximately

- 494,000 Vermonters received at least one dose of COVID-19 vaccine.
- 546,055 people have been tested and a total of 2,570,835 tests completed.
- Many COVID-19 resources are now provided in over 20 different languages.
- Up-to-date information, including town-level data can be found on the Health Department's website: <https://www.healthvermont.gov/covid-19/current-activity>.

## Public Health Programs

In addition to COVID-19 response efforts, Local Health offices continue to provide health services and programs to Vermont communities, including but not limited to

- In collaboration with Town Health Officers and other local partners, we help Vermonters better understand the relationship between their environment and their health at a time when more of us are spending time at home with our families. Find information about environmental health and lead, asbestos, toxic chemicals, child safety, food safety, climate change, drinking water, and more at <https://www.healthvermont.gov/environment>.
- The WIC nutrition program continues to provide primarily remote access to services with phone appointments. In 2021, an average of approximately 11,300 infants, children, and pregnant, postpartum, and breastfeeding people were served by WIC in Vermont each month.
- As of November 23, 2021, 193,000 flu vaccine doses have been administered. Protecting people from influenza continues to be particularly important as the flu may complicate recovery from COVID-19.

Thank you to everyone involved in supporting these efforts. We look forward to what 2022 brings, to seeing you in the community, and encourage you to stay in touch with us.

## How to Calculate the Homestead Tax - FY 2023 Grand Isle

1	Expenditures	\$8,739,460

2	Minus Local Revenues	\$1,103,400
2 - Explanation \		
3	Education Spending	\$7,636,060
3 - Explanation	Education Spending is the amount that needs to be raised by education property taxes augmented by the Education Fund	
4	Divided by Equalized Pupils	406.44
4 - Explanation	Equalized pupils is a two-year weighted average	
5	Education Spending/Equalized Pupil	\$18,787.67
5 - Explanation	Education Spending per equalized pupils determines the Education Homestead Tax Rate	
6	Divided by Base Amount	\$12,937.00
6 - Explanation	Base amount (Which is now called the Property Dollar Equivalent Yield) is statutorily set by a CPI index and is used to compare to a district's education spending per equalized pupil	
7	District Spending Adjustment	N/A
7 - Explanation	District's spending adjustment is the percentage the district spends over the base amount. The District Spending Adjustment is no longer applicable in the education spending formula.	
8	Base Homestead Rate	\$1.00

EDUCATION FUNDING FY23  
Act 68  
Grand Isle

Terms and Conditions on this page are intended to help explain, in general, the elements that make up the tax rate calculation. The final tax rate is calculated by the state. At this time the exact numbers have not been determined.

**Equalized Pupils: 406.44**

Not to be confused with the number of students attending or the number of students in the school district, the Equalized Pupil count is the weighted average number of pupils. This number is determined by the state. It is the number used for the Homestead Tax rate calculation.

**Common Level of Appraisal (CLA): 91.53%**

This is the ratio applied by the state to equalize local grand lists to reflect market conditions for property value. It is established annually by the Vermont Department of Taxes. This is necessary because we start with a statewide tax rate and that rate is modified to reflect the local housing market. A value of less than 100 indicates that on average properties are being sold for more than the local assessment. A reduction in the CLA results in an increase in the actual tax rate.

**Property Dollar Equivalent Yield: \$12,937**

This was previously the based education amount and the legislature set the base homestead property tax rate and the base education amount annually. This is now called the property dollar equivalent yield which is set by the legislature annually, but the base homestead property tax rate and the base tax rate on household income amounts are fixed at \$1.00 and \$2.00 respectively. For FY23 the property dollar equivalent yield is \$12,937 per equalized pupil. The property dollar equivalent yield functions in the formula the same way the based education amount did in past years. It is used to determine the equalized spending ratio for each district which is then used in the calculation of the Homestead Tax rate. The property dollar equivalent yield is *not* the amount that the district receives for each equalized pupil. The State does not pay the district a block grant for each equalized pupil.

**Homestead Tax Rate: \$1.00**

Homesteads are taxed at a rate that is adjusted in proportion to a district's education spending each year. The equalized rate for FY22 is assumed to be \$1.00. If the district's spending exceeds the base education amount, the equalized rate is increased in the same proportion for that district. The actual rate is determined by dividing the equalized rate by the common level of appraisal. The Homestead Tax Rate will be determined by the legislature.

**Non- Residential Tax Rate: \$1.4820**

Nonresidential property is taxed at a fixed statewide equalized rate. This tax rate has no bearing on the education spending of the school district. The equalized rate for FY23 is estimated to be \$1.4820. The actual rate is determined by dividing the equalized rate by the common level of appraisal. The Nonresidential tax rate will be determined by the legislature.

**Income Sensitivity: 2.43%**

For homeowners who qualify for income sensitivity, the homestead education tax is adjusted based on household income. **BE SURE TO COMPLETE ALL THE FORMS NECESSARY WHEN YOU COMPLETE YOUR VERMONT INCOME TAX RETURN.** As the law is currently, your property tax bill will reflect any reduction resulting from this factor.

- Following current statute, the Tax Commissioner recommended a property yield of \$13,846 for every \$1.00 of homestead tax per \$100 of equalized property value, an income yield of \$16,705 for a base income percent of 2.0%, and a non-residential tax rate of \$1.385. **THESE FIGURES USE THE ESTIMATED \$90,000,000 SURPLUS FROM THE EDUCATION FUND. I DO NOT EXPECT THAT SURPLUS WILL BE USED TO INCREASE THE YIELDS.** I would suggest using the figures provided without the surplus: \$12,937 for the property yield, \$15,484 for the income yield, and \$1,482 for the non-homestead tax rate.

- Final figures will be set by the Legislature during the legislative session and approved by the Governor.

- The base income percentage cap is 2.0%.

## Principal's Annual School Report

As you may know, the Champlain Islands Unified Union School District (CIUUSD) decided not to operate any grades at the Isle La Motte School building starting in the school year 2020-2021. Students living in Isle La Motte were offered the choice to attend either the North Hero School or the Grand Isle School. This year we have a range of students who choose to attend the North Hero School as well as the Grand Isle School. This report will cover information about both schools.

Due to the worldwide pandemic, last school year involved a shortened school day as well as a hybrid model at each school. Grand Isle School students attended four days in-person per week starting in the late fall and North Hero School students in grades 3-6 attended two days in-person per week all year while students in grades PK-2 attended four days in-person per week also starting in the late fall. This school year brought students at both schools back for five days of in-person learning per week. We continue to have many safety protocols in place for in-person learning such as mask wearing, frequent hand washing, and facing a single direction during snack/lunch periods.

Over the past few years, the combined CIUUSD allowed schools to expand educational opportunities to include world language, guidance, and a shared clinician among other resources. This year there have also been expanded intervention services and plans for ESSER funding to support things such as additional curriculum materials and a planned full-time substitute in each building.

Both schools have worked together this year to sponsor as many extracurricular opportunities for students as possible. This includes providing CIUUSD sports such as soccer and basketball for students in grades 5 and 6, re-opening aftercare programs, scheduling winter ski trips, and holding student craft fairs/fundraisers. We continue to look for creative ways to connect our students to one another and the island community even with limitations on outside visitors to the buildings.

Even in this challenging period, our goals and expectations in our teaching practices continue to be to support continuous growth and achievement for all our students. Monitoring student learning has taken on a new lens as students return from partially remote learning last year. Staff members at both schools have been working hard to ensure that not only do our students work towards meeting proficiency in our learning targets, students also are being met and supported in their social-emotional needs. Our instructional practices will continue to evolve and grow and the CIUUSD staff will continue to strive for excellence in all that we do for our community.

Students and staff continue to look for ways to support our community. Our goal in teaching service learning is to create a community of altruistic citizens, who are compelled to give back to their community. While this year will look different, we are hopeful that fundraising efforts will be continued in future years.

The North Hero and Grand Isle Schools continue to welcome all students to our combined school communities. Our foundations for trust, empathy, and unity are built on strong relationships. We are proud to be the leaders of the CIUUSD schools and honored to have your continued support.

Sincerely,

Amanda Ellison, Principal North Hero School

Lauren Thomas, Principal Grand Isle School

## 2021-2022 Superintendent Annual Report

Prepared on 12-22-2021 by Michael J. Clark

Throughout the spring and summer of 2021 the plan for the 2021-2022 school year was shaping up to be a “recovery year” that would focus on addressing any learning loss that had occurred from the 2020-2021 school year and resulted from having to adjust to a remote learning environment that only allowed for part time in-person instruction with small groups of students. Covid-19 vaccines were available for adults and there was the promise of a vaccine for children ages 5-11 on the horizon. Positive cases of Covid-19 had declined greatly beginning in March of 2021 and had remained low through June and July. Fatality rates due to Covid-19 were almost non-existent during this time.

Then the Covid-19 Delta Variant arrived in the United States and Vermont. Covid-19 cases began to increase. It became evident that the planning we had done as a school system was going to need change again so that we would be able to keep students, faculty, staff, administrators, and the community safe with a variant that was much easier to transmit and spread more quickly. We put new safety protocols in place and continued to make a commitment to being back to a five day a week in-person learning environment. We also acknowledged that in order to accommodate the safety protocols, some of the best strategies we have for addressing learning loss would not be available to us. It was quickly becoming apparent it was “not a recovery year”. Instead we would do everything we could do to keep to a five day a week in-person learning environment which addresses the Social Emotional Learning of students while we mitigated further learning loss.

As of the writing of this letter, we have been mostly successful. None of the four school buildings have had to close because of Covid-19. While some individual classrooms have had to isolate through a quarantine period, we have lost a relatively small number of student learning days. This is despite the fact that so far this year we have had 14 identified positive while infectious cases of Covid-19 in schools; which is close to the total we had all of last year. We have stood up a successful surveillance testing program which offers families an opportunity to have a weekly test for their student at no cost. We also have shortened quarantine periods by making a response testing option available on day seven after an infection at school. The GISU has also partnered with the Vermont Agency of Education to make take-home PCR Test kits available to families for free.

When vaccinations for 5-11 year olds became available in November of 2021, the Grand Isle Supervisory Union was one of the first SUs in the Champlain Valley Region to offer vaccinations to families who wanted them at the school. With the current guidelines from the Vermont Department of Health and the Vermont Agency of Education the best way to ensure that in-person learning days are not lost is to be vaccinated and we encourage families to take advantage of this opportunity.

GISU has remained committed to have a strong communication system with the community and including all stakeholders in our decision making during this challenging time. Since July 1, 2021, I have sent at least 31 letters to the community<sup>1</sup> and have hosted 18 community meetings. Community meetings happen each Wednesday night at 6:00 p.m. via a Google Meet and any community member can attend and ask questions. All of our communications are available on the GISU Website. We have also been working to increase the GISU presence on Facebook, feel free to give our page a Like and Follow us.

Even as we have addressed the uncertainty caused by Covid-19, the GISU has identified the following 5 goals for this year. Our first priority is to always keep our students, faculty, staff, administration and communities safe. We will provide a midyear report regarding progress in these areas in January/February at the GISU Board meetings.

*Improve Academic Proficiency by implementing a proficiency-based curriculum.*

*Improve MTSS Supports by providing students access to targeted and intensive supports for academics, behavior, social emotional learning*

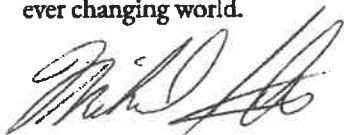

*Continue to build an educator support system including hiring coaches, developing mentoring program and enhancing Institutes*

*Create a learning environment that celebrates diversity and provides equitable opportunities for all learners*

*Strengthen financial, technological, infrastructure, processes and procedures to support teaching and learning*

To say I am proud of the work the teachers, support staff, administrators, students, school boards, families and community have done during this incredibly challenging time would be an understatement. The Grand Isle community has truly embraced the mantra “We Are All In This Together”. We have not only worked hard to keep one another safe, we have also worked to create opportunities together to provide the best education we can to our children. We have considered their social emotional learning as well as academic needs. While there is still much work ahead of us, I know we are all going to continue to do the best we can so our students have the most opportunities with the least disruptions possible.

Thank you to everyone for the work you have done and will do to ensure all members of the GISU Learning Community are curious, creative, courageous and capable to pursue their aspirations in a diverse and ever changing world.
