**Subject:** response to public records request

Ms. Greben,

I write in response to your two public records requests both dated September 7, 2016. It appears that the 7:14 pm request is a narrowing of the 4:22 pm request.

The information you request is exempt from disclosure under 1 V.S.A. §§ 317(c)(7), (c)(10) and (c)(25), as disclosure of the list of individuals you are requesting are personal documents relating to individuals, it would violate those individuals' right to privacy, and it contains user identifications and information the disclosure of which could threaten the safety of persons, respectively.

If you feel this information has been withheld in error, you may appeal to the Governor's Chief of Staff, Darren Springer in accordance with 1 V.S.A. § 318(c)(1).

Thank you,
