**Gov. Shumlin Launches Website Dedicated to State of the State Address**

**MONTPELIER** – Gov. Peter Shumlin has launched a website dedicated to the State of the State Address that he will deliver on January 7, 2016. The website can be found at [www.2016stateofthestate.com](http://www.2016stateofthestate.com).

The site currently features information on the Governor’s five previous addresses to the legislature and statistics about the significant progress Vermont has made since Governor Shumlin came to office in January 2011.

“Together, we have moved Vermont forward by growing jobs and economic opportunity, rebuilding Vermont’s infrastructure, enhancing Vermont’s education system, reforming Vermont’s criminal justice system, creating a cleaner energy economy, expanding access to health care while controlling costs, and much more,” Gov. Shumlin said. “I am so proud of the progress Vermont had made in the last five years. We live in a truly great state. I look forward to outlining an agenda that will make it even greater.”

The site will be updated in the coming weeks with information about the Governor’s agenda for 2016.
