Great! Do you have their contact info? I can reach out to them to discuss potential phone call next week.

Hi Jessica,  
The contract is with the SOA for approval and we are hoping to send to the vendor today and will get executed once we have the signed contract back from PCG. Since we are getting close to executing the contract, you can reach out to PCG to schedule the phone call.

Hi Deb and Linda,

I am wondering if there has been any movement on the contract.

We are looking to have PCG participate via phone call in our upcoming meeting next week, and I am wondering when it will be appropriate to reach out to them.

Thanks
