Subject: Records request

Hi Scott,

In accordance with Vermont's public records law, I'd like to request copies of the following information:

- 1) Any public comment the governor's office received regarding the proposal to readjust the Medicaid requirements for pregnant women.
- 2) Any emails about the Medicaid readjustment that the Governor either authored, was copied on, or was a recipient, dating back to November 1st.
- 3) Any emails about the Medicaid adjustment that Administration Secretary Justin Johnson and Finance Commissioner Andy Pallito either authored, were copied on, or were recipients, dating back to Jan 1st.

Thanks,
Jess
