Thank you very much, Sarah.

I understand that the documents requested are not subject to the public records law. Liz called and said the governor would make his tax returns for 2012 available next week.

Thanks for your help.

Hi Anne, we received your public records act request below. As you may know, the returns are not a public record and not subject to disclosure under the act. I understand you have been in touch with Liz.

Thanks very much and have a great weekend,

Sarah

Hi Sue

I am writing to request a copy of Gov. Peter Shumlin's 2012 tax returns pursuant to Vermont's public records request.

Thank you

Anne Galloway
