

What would you do if you were Lt. Gov for a day?

#### Grammar School Responses Grade 6

- Save money to help students who don't fit in a public school to pay for them to go to a school that works for them even if its private
- Reduce the amount of plastic being used
- Make tax money go toward private schools
  - o Because most money goes towards public schools
- Give students more outside time at school
- Less opioid deaths – control the opioid crisis
- Enforce environmental laws and reduce pollution
- Bans plastic?? To set an example for other states and countries
- Reduce pollution
- Fair race relations – BLM
-
