

I am writing to request you do not support the H. 57 legislation that would make it legal to the killing of babies up to term.

All lives matter, all lives matter, all lives matter!!! 60,000,000+ million abortions since Roe v. Wade are we no matter than the holocaust. When we kill our babies, when we set ourselves back and not move forward.

This bill is not for me and I am a women.

Vote NO on H.57.
