  - A. Discussed Personal Care Attendants who have lost their LNA license. A letter is to be sent, by the Board, to all residential care homes, hospital discharge planners and home health care agencies regarding licensed nursing assistants who have been disciplined but may be working as personal care attendants.
  - B. Discussed letter dated March 31, 1998 from Julie Bushey regarding clarification of the scope of practice for registered nurses taking health histories and performing physical exams. A letter is to be sent to Julie Bushey stating that it is within the scope of practice for a registered nurse to take a health history and perform a physical exam providing: the individual has received appropriate instruction and supervised practice to perform the procedures; the individual has demonstrated adequate knowledge and skill in performing the procedures; there is documentation of continuing competency in performing the procedures; the agency, through written policy, has agreed upon well defined protocols for performing of the procedures; the outcome of the physical exam performed by the registered nurse does not result in a medical diagnosis or the prescription of medical treatment.
  - C. Discussed letter dated April 7, 1998 from Mary Gill regarding the practice of school nurses administer "natural remedies." The Board agreed to write a letter to Ms. Gill indicating, and that each individual school should set a policy regarding the administration of "natural remedies." The Board concurred that it was within the scope of practice to administer "natural remedies" if the nurse is knowledgeable about the action, side and toxic effect and interaction with other medications prescribed. A. Ristau will attend a Pharmacy Board Meeting with M. Gill to further discuss this issue.
